

O-RING SNOOTS FOR ADJUSTABLE ROD GUIDES - SINCLAIR INTERNATIONAL O-RING SNOOT FOR #1 AP ROD GUIDE, PPC

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

These o-ring snouts are an upgrade to our Adjustable Rod Guides to give you an even better seal in the chamber. These snouts are of the same design as the snouts on our solid Delrin one-piece rod guides. Currently available in selected cartridge family sizes (both short and long action) for our .17 thru .25 caliber and 6.5mm thru .30 caliber All-Purpose Rod Guides. If you need help in ordering these please call and talk to one of our Sales Representatives. Snouts also fit the older Stoney Point small and medium rod guides.

ORING SNOUTS FOR ADJUSTABLE ROD GUIDES

USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ORING SNOUTS FOR ADJUSTABLE ROD GUIDES by Sinclair International. These components are designed to enhance the performance of your Adjustable Rod Guides by providing a better seal in the chamber. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the product before use to ensure it is free from defects.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Oring snouts are compatible with your specific rod guide model.
- Avoid using the product in extreme temperatures or harsh environments, as this may affect its performance.
- Do not attempt to modify or alter the product in any way, as this may lead to malfunction or injury.
- Wear appropriate personal protective equipment (PPE) when handling or installing the product.
- If you experience any difficulties during installation or usage, consult a professional or contact a sales representative for assistance.

Instructions for Installation and Usage

1. Compatibility Check

- Ensure that the Oring snouts are suitable for your Adjustable Rod Guides and compatible with your cartridge family sizes (22 PPC, 6 PPC).

2. Installation Steps

- Remove the existing snouts from your Adjustable Rod Guides by gently unscrewing or pulling them off, depending on the design.
- Clean the area where the new Oring snouts will be installed to ensure a proper seal.
- Align the Oring snouts with the rod guides and press or screw them into place until secure.
- Doublecheck that the snouts are firmly attached and that there are no gaps.

3. Usage Instructions

- Use the Adjustable Rod Guides with the newly installed Oring snouts according to the manufacturer's recommendations.
- Regularly inspect the Oring snouts for wear or damage during use.
- If you notice any issues, discontinue use and replace the snouts as necessary.

Disposal Instructions

- Dispose of any old or damaged snouts in accordance with local regulations for plastic waste.
- Do not dispose of the product in household waste; check for recycling options in your area.

Contact Information for Further Support

For further assistance, please reach out to your local sales representative or consult the Sinclair International website for additional resources and support.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the ORING SNOUTS FOR ADJUSTABLE ROD GUIDES!
