

# O-RING SNOOTS FOR ADJUSTABLE ROD GUIDES - SINCLAIR INTERNATIONAL 222/223 O-RING SNOOT FOR #1 ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

These o-ring snouts are an upgrade to our Adjustable Rod Guides to give you an even better seal in the chamber. These snouts are of the same design as the snouts on our solid Delrin one-piece rod guides. Currently available in selected cartridge family sizes (both short and long action) for our .17 thru .25 caliber and 6.5mm thru .30 caliber All-Purpose Rod Guides. If you need help in ordering these please call and talk to one of our Sales Representatives. Snouts also fit the older Stoney Point small and medium rod guides.

# ORing Snouts for Adjustable Rod Guides Safety Instruction Guide

## Introduction

Thank you for choosing the ORing Snouts for Adjustable Rod Guides from Sinclair International. These components are designed to enhance the performance of your rod guides by providing a better seal in the chamber. This safety instruction guide is intended to help you use the product safely and effectively, ensuring compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the ORing Snouts are compatible with your rod guide model before use.
- Always inspect the product for any damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions and warnings to avoid accidents.

## Specific Safety Precautions for Use

- Do not use the ORing Snouts if they show signs of damage, such as cracks or tears.
- Avoid using excessive force during installation to prevent damaging the snouts or the rod guides.
- Ensure that the area where you are working is clean and free from debris to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when handling and installing the snouts.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that your work area is clean and welllit.

### 2. Installation Steps:

- Remove the existing snouts from your rod guides if applicable.
- Clean the area where the new ORing Snouts will be installed to ensure a proper seal.
- Align the ORing Snouts with the rod guides, ensuring they fit snugly.
- Gently press the snouts into place without using excessive force.
- Doublecheck that the snouts are securely installed and properly aligned.

### 3. Usage:

- Use the rod guides as per the manufacturer's instructions, ensuring that the ORing Snouts are functioning correctly.
- Regularly check the snouts for wear or damage during use.

## Disposal Instructions

- Dispose of any damaged or worn ORing Snouts in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials; check for specific disposal instructions.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ORing Snouts, please reach out to your local retailer or the manufacturer directly. Ensure you have your product information available for reference.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the ORing Snouts for Adjustable Rod Guides. Always prioritize safety and compliance with regulations to enhance your experience and maintain the integrity of your equipment. Thank you for choosing Sinclair International.
