

# O-RING SNOOTS FOR ADJUSTABLE ROD GUIDES - SINCLAIR INTERNATIONAL 22-250 REM-257/25-06 O-RING SNOOT FOR #1 AP ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

These o-ring snouts are an upgrade to our Adjustable Rod Guides to give you an even better seal in the chamber. These snouts are of the same design as the snouts on our solid Delrin one-piece rod guides. Currently available in selected cartridge family sizes (both short and long action) for our .17 thru .25 caliber and 6.5mm thru .30 caliber All-Purpose Rod Guides. If you need help in ordering these please call and talk to one of our Sales Representatives. Snouts also fit the older Stoney Point small and medium rod guides.

# ORing Snouts for Adjustable Rod Guides Safety Instruction Guide

## Introduction

Thank you for choosing the ORing Snouts for Adjustable Rod Guides from Sinclair International. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is important to read and understand these instructions to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Always ensure that the ORing Snouts are compatible with your specific Adjustable Rod Guides before use.
- Inspect the ORing Snouts for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of the product.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the ORing Snouts if they are damaged or show signs of wear.
- Ensure that the ORing Snouts are properly installed to avoid any leaks or malfunctions.
- Use the product only for its intended purpose: to enhance the sealing capability of Adjustable Rod Guides.
- Avoid exposing the ORing Snouts to extreme temperatures or harsh chemicals, as this may affect their performance.
- If you experience any difficulties during installation or usage, consult a qualified technician or contact customer support for assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure that the Adjustable Rod Guides are clean and free from debris.

### 2. Installation:

- Remove the existing snout from the Adjustable Rod Guide by gently twisting it counterclockwise.
- Align the ORing Snout with the guide and insert it into the designated slot.
- Twist the ORing Snout clockwise until it is securely in place.
- Check that the snout is seated properly and does not have any gaps.

### 3. Usage:

- Once installed, the ORing Snouts can be used with the Adjustable Rod Guides to improve sealing in the chamber.
- Regularly check the ORing Snouts for signs of wear during use.
- If you notice any leaks or performance issues, stop using the product immediately and inspect it for damage.

## Disposal Instructions

- Dispose of the ORing Snouts in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the ORing Snouts for Adjustable Rod Guides, please reach out to your local distributor or sales representative for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your ORing Snouts for Adjustable Rod Guides. Thank you for your attention to safety and for choosing Sinclair International products.
