

O-RING SNOOTS FOR ADJUSTABLE ROD GUIDES - SINCLAIR INTERNATIONAL 260-30-06 O-RING SNOOT FOR #2 AP ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

These o-ring snouts are an upgrade to our Adjustable Rod Guides to give you an even better seal in the chamber. These snouts are of the same design as the snouts on our solid Delrin one-piece rod guides. Currently available in selected cartridge family sizes (both short and long action) for our .17 thru .25 caliber and 6.5mm thru .30 caliber All-Purpose Rod Guides. If you need help in ordering these please call and talk to one of our Sales Representatives. Snouts also fit the older Stoney Point small and medium rod guides.

ORING SNOOTS FOR ADJUSTABLE ROD GUIDES

CONSUMER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ORing Snouts for Adjustable Rod Guides by Sinclair International. This guide provides essential safety information, installation instructions, and best practices for the safe use of this product. Please read this document thoroughly to ensure proper handling and usage.

General Safety Guidelines

- Always use the ORing Snouts in accordance with the provided instructions to prevent potential hazards.
- Inspect the product before each use to ensure it is in good condition.
- Keep the product out of reach of children and vulnerable individuals to avoid accidental injury.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the ORing Snouts are compatible with your Adjustable Rod Guides before installation.
- Avoid using damaged or wornout snouts, as this may compromise safety and performance.
- When handling the ORing Snouts, do not apply excessive force that may cause breakage.
- Use appropriate protective gear, such as safety glasses, when installing or using the product.
- Be cautious of sharp edges or components during installation and usage to prevent cuts or injuries.

Instructions for Installation and Usage

1. Compatibility Check

- Verify that the ORing Snouts are suitable for your specific rod guide model and cartridge family.

2. Installation Steps

- Clean the rod guide area where the snout will be installed to ensure a secure fit.
- Align the ORing Snout with the designated slot on the rod guide.
- Gently press the snout into place until it is fully seated. Do not use excessive force.
- Ensure that the snout is securely attached before proceeding to use the rod guide.

3. Usage Instructions

- When using the rod guide with the ORing Snouts, ensure that the chamber is clean and free of debris.
- Monitor the performance of the snouts during use, and check for signs of wear or damage after each session.
- If you notice any issues, discontinue use immediately and replace the snouts as necessary.

Disposal Instructions

- Dispose of any damaged or worn ORing Snouts in accordance with local regulations for plastic waste.
- Do not dispose of the product in regular household waste; check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product compatibility, please contact our customer support team. Ensure you have your product information available for a quicker response.

Thank you for prioritizing safety and for choosing Sinclair International products. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
