

# BOLT GREASE AND ACCESSORIES - SINCLAIR INTERNATIONAL BOLT GREASE 0.25OZ

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

This bolt grease will make your bolt work as smooth as silk. Our grease is packed into a curved spout syringe that is great for reaching those tight areas. Excellent for use on any sliding parts that will incur friction. We also sell empty syringes for any application you may need. CANNOT BE SHIPPED OUT OF THE U.S. This item can only ship UPS Ground within the continental United States.

# Safety Instruction Guide for BOLT GREASE AND ACCESSORIES SINCLAIR INTERNATIONAL BOLT GREASE 0.25OZ

## Introduction

Thank you for choosing BOLT GREASE AND ACCESSORIES SINCLAIR INTERNATIONAL BOLT GREASE 0.25OZ. This product is designed to provide superior lubrication for bolts and sliding parts, ensuring smooth operation and reduced friction. Please read this safety instruction guide carefully before use to ensure safe handling and application.

## General Safety Guidelines

- Always store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Do not use the product for any purpose other than its intended use.
- If you experience any adverse reactions, discontinue use immediately and seek medical attention if necessary.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the syringe tip is clean and free from contaminants before use.
- Do not apply excessive pressure when using the syringe to avoid injury or damage.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if symptoms persist.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Use in a wellventilated area to avoid inhalation of vapors.

## Instructions for Installation and Usage

### 1. Preparing the Syringe:

- Remove the cap from the syringe.
- Ensure the syringe is filled with grease and the tip is clean.

### 2. Application:

- Position the syringe tip at the desired application point.
- Gently squeeze the syringe to dispense the grease into the bolt or sliding part.
- Apply only the necessary amount to avoid excess buildup.

### 3. PostApplication:

- After use, replace the cap securely on the syringe to prevent contamination.
- Clean any excess grease from the application area with a suitable cloth.

## Disposal Instructions

- Dispose of any unused grease and empty syringes in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local collection points for hazardous waste if

applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the EUbased contact point relevant to this product.

Thank you for your attention to these safety guidelines. Your safety is our priority.
