# **Safety Instruction Guide for Benchrest Targets**

## **ROCKWOOD CORP 100 YARD HUNTER CLASS**

### **TARGETS 25 PACK**

#### **Introduction**

Thank you for choosing the Benchrest Targets from ROCKWOOD CORP. These regulation targets are designed for realistic practice and competitive matches. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

#### **General Safety Guidelines**

- Ensure that the targets are used in a safe environment, away from populated areas.
- Always supervise children and inexperienced users when using these targets.
- Use appropriate safety gear, including eye and ear protection, during practice sessions.
- Familiarize yourself with local laws and regulations regarding shooting and target practice.
- Always handle firearms with care and respect, following the basic rules of firearm safety.

#### **Specific Safety Precautions for Use**

- Do not use targets in areas where shooting is prohibited or considered unsafe.
- Ensure that the backdrop behind the targets is adequate to stop projectiles and prevent ricochets.
- Always check the targets for damage before use. Do not use damaged targets.
- Ensure that the shooting range is clear of people before firing.
- Never retrieve targets or go downrange until all firearms are secured and the area is declared safe.

#### **Instructions for Installation and Usage**

- Unpack the targets carefully to avoid damaging them. They are shipped flat and should not be rolled.
- Position the targets at the appropriate distance (100 yards) in accordance with your shooting practice or competition rules.
- Secure the targets to a stable backing to prevent them from falling or being blown away by wind.
- Use standard target holders or frames to display the targets properly.
- After use, assess the condition of the targets and dispose of any that are excessively damaged.

#### **Disposal Instructions**

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- If the targets are made from recyclable materials, check local guidelines for recycling options.
- Do not burn targets, as they may contain materials that are harmful when incinerated.

#### **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Benchrest Targets, please contact the manufacturer or your local distributor. They can provide additional information and support as needed.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your shooting practice responsibly!
