Benchrest Targets Safety Instruction Guide

Introduction

Thank you for choosing the Benchrest Targets by Rockwood Corp. These regulation targets are designed for realistic practice and match events at your local range. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that you are in a safe environment when using these targets.
- Follow all local laws and regulations regarding the use of targets and firearms.
- Ensure that all participants are familiar with firearm safety rules.
- Regularly check the targets for damage or wear before use.
- Store targets in a cool, dry place to prevent deterioration.

Specific Safety Precautions for Use

- Use these targets only in designated shooting areas.
- Never use these targets without proper supervision if children are present.
- Ensure a safe distance is maintained between shooters and spectators.
- Do not use targets that are damaged or have been previously shot.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Preparation

- Choose a suitable location that is safe and complies with local regulations.
- Gather all necessary equipment, including firearms, ammunition, and protective gear.

2. Setting Up Targets

- Remove the targets from the packaging carefully.
- Ensure that the targets are flat and not rolled to avoid any misalignment.
- Secure the targets to a stable backing or stand to prevent them from falling over.

3. Using the Targets

- Position the targets at the desired distance, ensuring they are clearly visible.
- Confirm that all safety measures are in place before commencing shooting.
- After shooting, assess the targets for accuracy and any potential damage.

4. PostUsage

- Remove any used targets and dispose of them properly.
- Clean the area and ensure that no debris or materials are left behind.

Disposal Instructions

- Dispose of damaged or used targets in accordance with local waste disposal regulations.
- Recycle packaging materials where possible.
- Do not burn targets as they may contain materials that can release harmful substances.
