Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #15 SHELLHOLDER

Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDERS #15 SHELLHOLDER. This product is designed to provide a safe and efficient way to handle your reloading needs. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always handle the shellholder with care to avoid injury.
- Ensure that the shellholder is compatible with your press type and cartridge.
- Do not use the shellholder for cartridges other than those specified.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the shellholder fits your specific press model and is suitable for the cartridges you intend to use (500 S&W, 7.62 x 54 mm Russian).
- **Heat Treatment:** Note that Redding shellholders are heat treated, which enhances durability. However, do not expose them to extreme temperatures or conditions that could compromise their integrity.
- **Knurling Feature:** The outside knurling is designed for easy handling. Ensure your hands are dry and clean when changing shellholders to maintain grip.
- **Avoid Overloading:** Do not exceed the recommended specifications for your press and shellholder.
- **Use Protective Equipment:** When reloading, consider wearing safety glasses and gloves to protect against potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate shellholder for your cartridge.
- Insert the shellholder into the press according to the manufacturer's instructions.
- Ensure it is seated properly and locked in place before use.

2. Usage:

- Begin the reloading process by following the specific instructions for your press model.
- Monitor the operation closely to ensure that the shellholder is functioning correctly.
- If you encounter any resistance or irregularities, stop immediately and inspect the shellholder for damage or misalignment.

3. PostUse:

- After using the shellholder, clean it to remove any debris or residue.
- Store the shellholder in a safe, dry place, away from children and pets.

Disposal Instructions

- When the shellholder reaches the end of its usable life, dispose of it in accordance with local regulations.
- Do not dispose of the shellholder in regular household waste if it is damaged or contains hazardous materials.
- Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to your local retailer or manufacturer directly. Ensure you have the product information available for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the PRESS TYPE SHELLHOLDERS #15 SHELLHOLDER.
