# Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #13 SHELLHOLDER

## Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDERS #13 SHELLHOLDER by Redding. This product is designed with a new tapered design for easy case entry and is machined to very close tolerances to fit your cases perfectly. To ensure safe and effective use of this product, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Always use the shellholder in accordance with the manufacturer's instructions.
- Inspect the shellholder for any visible damage before use. Do not use if damaged.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating reloading equipment.
- Be aware of your surroundings and ensure that the workspace is clean and free of hazards.
- In case of an emergency or accident, report it to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with your press type before use.
- Do not attempt to modify or alter the shellholder.
- Avoid using excessive force when inserting or removing cases from the shellholder.
- Always follow the recommended procedures for reloading to minimize risks.
- Be cautious of hot surfaces if the shellholder has been in use for an extended period.
- Store the shellholder in a dry place to prevent rust or corrosion.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the correct shellholder for your specific cartridge (in this case, 9 mm Luger).
- Align the shellholder with the slot on your reloading press.
- Firmly press the shellholder into place until it is securely seated.

### 2. Usage:

- Insert the case into the shellholder, ensuring it fits snugly.
- Follow the reloading instructions provided with your press to complete the reloading process.
- After use, carefully remove the case from the shellholder.
- Clean the shellholder regularly to maintain its functionality and longevity.

## Disposal Instructions

- Dispose of the shellholder responsibly. If it is damaged or no longer usable, check with local regulations for proper disposal methods.
- Do not dispose of the shellholder in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns about the PRESS TYPE SHELLHOLDERS #13 SHELLHOLDER, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your PRESS TYPE SHELLHOLDERS #13 SHELLHOLDER. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
