Consumer Safety Instruction Guide for Redding #22 Shellholder

Introduction

Thank you for choosing the Redding #22 Shellholder. This product is designed for safe and efficient use in reloading ammunition. Please read this safety instruction guide carefully to ensure safe operation and to understand how to use the product correctly.

General Safety Guidelines

- Always ensure that the shellholder is compatible with your press type and cartridge before use.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage or wear before each use. Do not use if damaged.
- Follow all manufacturer instructions for your reloading press and related equipment.
- Store the shellholder in a safe, dry place when not in use to prevent damage and ensure longevity.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, while reloading ammunition.
- Do not exceed the recommended load limits for your specific cartridge and shellholder.
- Ensure that the work area is welllit and free of distractions while using the shellholder.
- Do not attempt to modify or alter the shellholder in any way, as this may compromise safety.
- Handle all ammunition components with care to avoid accidental discharge or injury.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate Redding #22 Shellholder for your cartridge (30 Carbine).
- Attach the shellholder to your press according to the manufacturer's instructions.
- Ensure the shellholder is tightly secured to prevent any movement during use.

2. Usage:

- Verify that the press is in the correct position and that no obstructions are present.
- Insert the case into the shellholder, ensuring it is seated properly.
- Follow standard reloading practices for your cartridge, ensuring all steps are executed carefully.
- After reloading, remove the shellholder from the press and store it safely.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations for metal products.
- Do not discard in regular household waste if there are specific disposal instructions for reloading equipment in your area.
- Consider recycling the shellholder if it is no longer usable.

Contact Information for Further Support

For any questions or concerns regarding the Redding #22 Shellholder, please refer to the product packaging or

visit the manufacturer's website for additional support and information.

By adhering to these safety guidelines and instructions, you can ensure a safer experience when using the Redding #22 Shellholder. Your safety and the safety of others is our top priority. Thank you for choosing Redding for your reloading needs.
