Safety Instruction Guide for Redding #2 Shellholder

Introduction

Thank you for choosing the Redding #2 Shellholder. This product is designed to enhance your reloading experience by providing a secure and efficient way to hold your cases during the reloading process. This guide provides essential safety instructions to ensure safe usage, compliance with the EU General Product Safety Regulation (GPSR), and proper handling of the shellholder.

General Safety Guidelines

- Ensure that the shellholder is compatible with your reloading press and the cartridges you intend to use.
- Always inspect the shellholder for any signs of damage or wear before use.
- Use the shellholder only for its intended purpose as specified in this guide.
- Keep the shellholder and all reloading equipment out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before each use, check the shellholder for cracks, deformities, or excessive wear. Do not use if damaged.
- **Handling:** Always handle the shellholder with care. The knurling on the outside is designed for easy grip; ensure your hands are dry to prevent slipping.
- **Compatibility:** Verify that the shellholder is suitable for the following cartridges:
 - 3030 Winchester
 - 219 Zipper
 - 730 Waters
 - 32 Winchester Special
 - 3855 Winchester
 - 7.5 x 55 mm Swiss
 - 308 Marlin Express
 - 219 Donaldson Wasp
- **Reloading Environment:** Always work in a wellventilated area and follow all safety protocols related to reloading ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the Redding #2 Shellholder into the slot, ensuring it is seated correctly.
- Secure the shellholder as instructed in your press's manual.

2. Usage:

- Load the case into the shellholder with the open end facing upwards.
- Ensure the case is seated properly and securely held by the shellholder.
- Proceed with the reloading process as per your reloading manual.
- After use, remove the shellholder and store it in a safe place.

Disposal Instructions

- Dispose of the Redding #2 Shellholder in accordance with local regulations.
- If the shellholder is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the shellholder in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support regarding the Redding #2 Shellholder, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have your product details ready for assistance.

By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and effective reloading experience with your Redding #2 Shellholder. Thank you for your attention to safety and compliance with EU regulations.
