Safety Instruction Guide for PRESS TYPE SHELLHOLDERS REDDING #4 SHELLHOLDER

Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDERS REDDING #4 SHELLHOLDER. This product is designed to provide a reliable and efficient solution for reloading cartridges. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the shellholder as intended and according to the manufacturer's specifications.
- Ensure that the shellholder is compatible with your reloading press.
- Keep the shellholder and all reloading equipment out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use eye protection when operating the reloading press.
- Handle all cartridges with care to avoid accidental discharge.
- Do not exceed the recommended load specifications for the cartridges you are using.
- Ensure that the reloading area is clean and free from distractions.
- Follow all local laws and regulations regarding ammunition reloading.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate shellholder size for your cartridge (in this case, #4 for 220 Swift and 225 Winchester).
- Insert the shellholder into the ram of the reloading press, ensuring it is seated properly.

2. Usage:

- Place the cartridge case into the shellholder.
- Operate the reloading press according to the manufacturer's instructions.
- After use, remove the shellholder from the press and clean it to remove any debris or residue.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- Do not throw the shellholder in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.
