Safety Instruction Guide for Redding #14 Shellholder

Introduction

Thank you for choosing the Redding #14 Shellholder. This product is designed to enhance your reloading experience with its new tapered design and precision machining. Please read this safety instruction guide carefully to ensure safe and effective use of the shellholder.

General Safety Guidelines

- Always ensure that the shellholder is compatible with your specific press type and cartridge.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading and handling.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling may lead to injury.
- Using a damaged shellholder can cause misfires or accidents.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, including eye protection, when reloading.
- Do not exceed the recommended load specifications.
- Ensure that your workspace is clean and free of distractions while reloading.

- **Age and Audience Specific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by knowledgeable individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Align the shellholder with the press mechanism.
- Secure the shellholder into place according to the manufacturer's instructions.

2. Usage:

- Insert the case into the shellholder, ensuring a snug fit.
- Follow your reloading manual for specific instructions on load data and procedures.
- After use, remove the shellholder from the press and clean it to prevent residue buildup.

Disposal Instructions

- Dispose of the shellholder according to local regulations for metal recycling.
- Do not dispose of the shellholder in regular household waste.
- If the shellholder is damaged, contact your local waste management authority for proper disposal.

methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Redding #14 Shellholder, please refer to the manufacturer's website or customer support for assistance.

Please keep this guide for future reference and ensure that all users of the Redding #14 Shellholder are familiar with these safety instructions. Your safety is our priority. Thank you for your attention to these important guidelines.
