Safety Instruction Guide for Redding #5 Shellholder

Introduction

Thank you for choosing the Redding #5 Shellholder. This product is designed to enhance your reloading experience with its innovative tapered design and precise machining. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the shellholder with care to avoid injury.
- Ensure that your workspace is clean and free from obstructions.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use the shellholder only with compatible cartridges as specified.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- In case of any malfunction or defect, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the shellholder is compatible with your press and the cartridges you are using: 10 mm Auto, 40 S&W, 357 SIG, 6.8 mm Remington SPC, and 224 Valkyrie.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to accidents.
- **Handling:** Use the knurled edges for a secure grip when changing or handling the shellholder.
- **Heat Treatment:** Be aware that Redding shellholders are heat treated for durability. Avoid exposing them to excessive heat.
- **Storage:** Store the shellholder in a dry place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for your cartridge.
- Align the shellholder with the press and insert it firmly until it is secure.
- Check for proper fit and ensure it is locked in place before proceeding.

2. Usage:

- Place the cartridge into the shellholder, ensuring it fits snugly.
- Operate your press according to the manufacturer's instructions while using the shellholder.
- Monitor the reloading process for any irregularities or malfunctions.

Disposal Instructions

- Dispose of the shellholder responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for metal products.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Redding #5 Shellholder, please refer to the manufacturer's website or contact their customer service for assistance.

Remember, your safety is paramount. Always follow these guidelines to ensure a safe and enjoyable reloading experience. Thank you for choosing Redding products.
