# Safety Instruction Guide for Redding #18 Shellholder

## Introduction

Thank you for choosing the Redding #18 Shellholder. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the shellholder to avoid any potential hazards.

## General Safety Guidelines

- Always inspect the shellholder before use for any signs of damage or wear.
- Ensure that the shellholder is compatible with your press type and cartridges.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use the shellholder only for its intended purpose as described in the product specifications.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the shellholder is securely attached to the press before starting any reloading process.
- Avoid overtightening the shellholder, which can lead to damage or malfunction.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading components.
- Do not attempt to modify or alter the shellholder in any way.
- Always follow the manufacturer's instructions for loading and unloading cases.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Align the shellholder with the press and insert it into the designated slot.
- Secure the shellholder by tightening the locking mechanism, ensuring it is firmly in place but not overly tightened.

### 2. Usage:

- Place the cartridge case into the shellholder, ensuring it fits snugly.
- Follow the reloading instructions specific to your cartridge type.
- After use, remove the cartridge case from the shellholder and inspect for any signs of damage.

## Disposal Instructions

- Dispose of the shellholder responsibly in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling it if possible. Check with local recycling facilities for guidelines.

## Contact Information for Further Support

For any safety inquiries or concerns, please refer to the manufacturer's website or customer service resources provided with the product.

Thank you for your attention to these safety guidelines. Your safety is our priority.
