# Safety Instruction Guide for Redding #12 Shellholder

## Introduction

Thank you for choosing the Redding #12 Shellholder. This product is designed with a new tapered design for easy case entry and is machined to very close tolerances for a perfect fit. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe use and optimal performance.

## General Safety Guidelines

- Always use the shellholder in accordance with the manufacturer's instructions.
- Ensure that the shellholder is compatible with your press type and the cartridges you intend to use.
- Inspect the shellholder for any signs of damage before each use. Do not use if damaged.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for product recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that your press is compatible with the Redding #12 Shellholder. This shellholder is designed to fit all popular presses.
- **Handling:** Use the outside knurling to handle and change the shellholder easily. Avoid excessive force when changing to prevent injury.
- **Heat Treatment:** Be aware that Redding shellholders are heat treated for durability. Do not expose to extreme temperatures that may affect the integrity of the shellholder.
- **Cartridge Safety:** Only use cartridges that are specified for this shellholder: 357 Magnum, 38 Special, 6.5 Grendel, 7.62 x 39 mm Russian, 22 PPC, 6 PPC, and 6mm ARC. Using incompatible cartridges may result in malfunction or injury.
- **Work Environment:** Ensure that your workspace is clean and free from distractions while using the shellholder.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is unplugged or in a safe state before installation.
- Locate the shellholder slot on your press.
- Align the Redding #12 Shellholder with the slot and gently press it into place until it clicks securely.
- Check that the shellholder is firmly seated and does not wobble.

### 2. Usage:

- Insert the appropriate cartridge into the shellholder.
- Ensure the cartridge is seated correctly and securely.
- Follow the specific instructions for your reloading press to complete the reloading process.
- After use, remove the shellholder from the press and store it in a safe, dry place.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- Do not dispose of the shellholder in general waste if it is damaged or nonfunctional.

- Check with local recycling centers for proper disposal methods for metal products.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact your local distributor or refer to the Redding website for support resources.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Redding #12 Shellholder.
