

# POWER DRILL CONVERTER - RCBS TIM PRO CASE TRIMMER POWER DRILL CONVERTER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Accessories](#)

Trim cases quickly and accurately with the RCBS Trim Pro. The Trim Pro features a spring-loaded lever with shell holders (plates) that lock the cases securely and square to the cutter. The base is die cast metal and includes places for 8 case neck pilots. Length adjustment is easily done with a micrometer style adjustment collar on the cutter shaft. The cutter has hardened cutting blades for a lifetime of use. The trimmer is available in kit form which includes shell holders (2,,3, 4, and 10) and pilots (.22, .24, .25, .27, 7mm, .30, .44, and .45 calibers). You can also buy the trimmer separately without pilots or shellholders. Optional accessories include the power converter, which allows you to use a power drill (not a power screwdriver), neck turning tool attachments, and a dust cover.

## Attributes

# POWER DRILL CONVERTER RCBS TIM PRO CASE TRIMMER Safety Instruction Guide

## Introduction

Thank you for choosing the POWER DRILL CONVERTER RCBS TIM PRO CASE TRIMMER. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow these instructions carefully to maintain safety and product integrity.

## General Safety Guidelines

- Ensure that the trimmer is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when operating the trimmer.
- Keep the work area clean and welllit to avoid accidents.
- Ensure that children and pets are kept away from the work area during use.
- Regularly inspect the trimmer for any signs of wear or damage before use.
- Do not use the trimmer if any parts are damaged or missing.
- Follow all local regulations regarding the safe use and disposal of tools and equipment.

## Specific Safety Precautions for Use

### • Electrical Safety:

- Only use the trimmer with a compatible power drill. Do not use a power screwdriver.
- Ensure that the power drill is unplugged when attaching or removing the trimmer.

### • Cutting Hazards:

- Keep hands and fingers away from the cutter while in operation.
- Use the trimmer only when fully assembled and securely attached to the power drill.

### • Noise and Vibration:

- Prolonged exposure to noise and vibration may cause discomfort or injury. Take regular breaks during extended use.

### • Dust and Debris:

- Use a dust cover to minimize exposure to debris generated during trimming.
- Ensure adequate ventilation in the work area to avoid inhalation of dust particles.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the power drill is unplugged.
- Attach the trimmer to the drill according to the manufacturer's instructions.
- Securely fasten the trimmer to prevent it from loosening during operation.
- Select and attach the appropriate shell holder and neck pilot for the case being trimmed.

### 2. Usage:

- Adjust the cutter length using the micrometer style adjustment collar to achieve the desired case length.
- Turn on the power drill and allow the trimmer to reach full speed before introducing the case.
- Feed the case into the trimmer gently and steadily, ensuring it is square to the cutter.
- Once trimming is complete, turn off the power drill and remove the case carefully.
- Clean the trimmer and work area after each use to maintain optimal performance.

## Disposal Instructions

- Dispose of any worn or damaged parts in accordance with local regulations.
- If the trimmer or its components are no longer usable, consider recycling materials where possible.
- Do not dispose of electrical components in regular waste. Follow local ewaste disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging. Always keep this safety guide for future reference.

By adhering to these safety instructions, you can ensure a safe and efficient experience with your POWER DRILL CONVERTER RCBS TIM PRO CASE TRIMMER. Thank you for your attention to safety.
