# RIMFIRE TARGETS 25 PACK Safety Instructions

## Introduction

Thank you for choosing the RIMFIRE TARGETS 25 PACK by the Rimfire Benchrest Association (RBA). This document provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all users are aware of the safety guidelines before using the targets.
- Always supervise children and vulnerable individuals when using the targets.
- Use the targets in a designated shooting area that is safe and compliant with local regulations.
- Regularly inspect the targets for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of firearms and shooting practices.

## Specific Safety Precautions for Use

- Do not use the targets in areas where there is a risk of stray bullets harming people, animals, or property.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of bystanders and that a safe backstop is in place.
- Do not attempt to retrieve or handle the targets while shooting is in progress.
- Dispose of any damaged targets properly to prevent hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Choose a flat, stable surface for target setup.
- Ensure the area is safe and free from obstructions.

### 2. Setting Up the Targets:

- Remove the targets from the packaging.
- If using a target holder, securely attach the targets to the holder.
- Ensure that the targets are positioned at the appropriate distance for your shooting activity.

### 3. Using the Targets:

- Aim carefully and shoot only at the designated target areas.
- After shooting, assess the targets for accuracy and record your results.
- If using sighter bulls, ensure to follow the designated shooting order.

### 4. PostUse:

- Collect all used targets and dispose of them in accordance with local waste disposal regulations.
- Clean up any debris or leftover materials from the shooting area.

## Disposal Instructions

- Dispose of used targets in regular waste unless otherwise specified by local regulations.
- Do not burn targets as they may contain materials that are harmful when incinerated.
- Ensure that all components are disposed of in an environmentally friendly manner.
