

STAINLESS STEEL NECK TURNING MANDRELS - SINCLAIR

INTERNATIONAL NECK TURNING MANDREL, SS, 25 CALIBER (.255")

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

Sinclair stainless steel neck turning and expander mandrels for 17 through 50 caliber cartridges are turned from high grade stainless steel on precision turning centers. Turning mandrels are sized .002 inch under bullet diameter and expander mandrels are .001 inch under bullet diameter. The shape and surface of all mandrels is the result of years of experimenting by many expert handloaders. Our Carbide turning mandrels are precision ground from solid carbide stock, which yields even closer tolerances. All carbide mandrels are ground to .002 inch under bullet diameter. Adjustments on our NT-4000 turning tool will be more consistent with carbide mandrels due to the tighter tolerances of the mandrels. Large caliber (35 to 50 caliber) mandrels fit only the Large Caliber Expander Expander Body and NT-5000 Turning Tool.

Attributes

- Name: [SINCLAIR INTERNATIONAL NECK TURNING MANDREL, SS, 25 CALIBER \(.255"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749001162

Safety Instructions for Sinclair International Stainless Steel Neck Turning Mandrels

Introduction

Thank you for choosing the Sinclair International Stainless Steel Neck Turning Mandrels. This guide provides important safety information and usage instructions to ensure your safe and effective use of the product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mandrels for any signs of damage or wear before each use.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Do not use the product for purposes other than its intended use.

Specific Safety Precautions for Use

- Handle the mandrels with care to avoid injury from sharp edges.
- Use the mandrels only with compatible tools, such as the NT4000 turning tool and NT5000 turning tool.
- Ensure that your workspace is clean and free of any obstructions that may pose a risk during use.
- Avoid using the mandrels in wet or damp conditions to prevent slipping or electrical hazards.
- Do not attempt to modify or alter the mandrels in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure that the working area is welllit and organized.

2. Installation:

- Attach the mandrel securely to the turning tool according to the manufacturer's instructions.
- Ensure that the mandrel is properly aligned and tightened to prevent it from loosening during use.

3. Usage:

- Follow the specific guidelines for operating the NT4000 or NT5000 turning tool.
- Use gentle pressure when turning to avoid damaging the mandrel or the cartridge.
- Monitor the process closely for any unusual sounds or resistance, which may indicate a problem.

4. PostUse Care:

- After use, clean the mandrels thoroughly to remove any debris or residue.
- Inspect the mandrels for any signs of wear or damage before storing them.
- Store the mandrels in a safe, dry place, away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.

- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, ensure it is recycled or disposed of safely to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Sinclair International Stainless Steel Neck Turning Mandrels. Always prioritize safety and feel free to seek further assistance if needed. Thank you for your attention to these important guidelines.
