# Safety Instruction Guide for Imperial Application Media by Redding

## Introduction

Thank you for choosing the Imperial Application Media by Redding. This product is designed to enhance the reloading process by providing an efficient and effective way to lubricate cartridge cases. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always store the product out of reach of children and vulnerable individuals.
- Ensure that the product is used in a wellventilated area to avoid inhalation of dust or fumes.
- Do not use the media for any purpose other than intended.
- Regularly check for any visible damage to the product before use.
- In case of any adverse reactions or accidents, seek medical advice immediately.

## Specific Safety Precautions for Use

- Use gloves when handling the cartridge cases and the ceramic media to avoid skin irritation.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water and seek medical attention if necessary.
- Do not ingest the ceramic media or any lubricants. Keep away from food and drink.
- Ensure that the work area is clean and free from any potential hazards (e.g., spills, clutter).

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials including the cartridge cases, the Imperial Application Media, and a clean work surface.

### 2. Using the Media:

- Simply dip the neck of the cartridge case into the ceramic media.
- Ensure that the neck is fully coated with the media to achieve optimal lubrication.
- Remove excess media by gently tapping the cartridge case against the side of the container.

### 3. PostUse Care:

- After using the media, store it in a cool, dry place, away from direct sunlight.
- Ensure that the container is sealed properly to prevent contamination.

## Disposal Instructions

- Dispose of any unused or waste ceramic media in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.
- Ensure that all packaging materials are also disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Imperial Application Media, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Imperial Application Media. Always prioritize safety and compliance with the guidelines provided to protect yourself and others. Thank you for your attention to these important safety measures.
