

# TRU-KOTE BENCHREST STOCK TAPE - BENCHRITE 2-GUN CLEAR UHMW STOCK TAPE KIT

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Many benchrest shooters use tape on the forend and buttstock of their rifles to help the stock slide smoother in the bags. The tape also protects the stock surfaces from being scratched by Cordura bags. We carry two types of stock tape kits - the traditional clear tape which is hardly visible on the rifle, and the tan colored true Teflon PTFE coated film tape. Both types of tape are cut to 5 inch x 5 inch pieces and have peel-off backers. The clear tape is available in two rifle kits, and the Teflon tape is available in one rifle or two rifle kits. Application instructions are included.

## Attributes

- Name: [BENCHRITE 2-GUN CLEAR UHMW STOCK TAPE KIT](#)
- Manufacturer: [BENCHRITE](#)
- Product no.: 749001173
- Mfr. No.: 04-150

# TRUKOTE BENCHREST STOCK TAPE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TRUKOTE BENCHREST STOCK TAPE. This product is designed to enhance the performance of your rifle by providing a smoother surface for sliding in bags and protecting the stock from scratches. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product as intended to avoid accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage on the tape.
- If you notice any defects or issues, discontinue use and report it.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the surface of the rifle is clean and dry before applying the tape.
- Avoid applying the tape to any area that may interfere with the operation of the rifle.
- Do not use the tape on firearms that are not compatible with adhesive products.
- Be cautious when handling the tape to avoid cuts or injuries from sharp edges.
- If you experience any skin irritation from the adhesive, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation

- Clean the area of the rifle where the tape will be applied using a suitable cleaner.
- Ensure the surface is completely dry before proceeding.

### 2. Cutting the Tape

- The tape comes in 5 inch x 5 inch pieces. If necessary, cut the tape to fit your specific needs.
- Use scissors to ensure clean edges.

### 3. Applying the Tape

- Peel off the backing from the tape.
- Carefully position the tape on the desired area of the rifle, ensuring it is straight and aligned properly.
- Press down firmly on the tape to ensure a good bond with the surface.

### 4. PostApplication

- Allow the tape to set for a few minutes before using the rifle to ensure proper adhesion.
- Regularly check the tape for any lifting or peeling and reapply if necessary.

## Disposal Instructions

- Dispose of any unused or damaged tape in accordance with local waste disposal regulations.
- Do not incinerate the tape as it may release harmful fumes.

- If the tape is contaminated or no longer usable, place it in a sealed bag before disposal to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRUKOTE BENCHREST STOCK TAPE, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you are following the latest safety guidelines and product recalls as published by relevant authorities.

By following these safety instructions, you can enjoy the benefits of your TRUKOTE BENCHREST STOCK TAPE while ensuring a safe experience. Thank you for your attention to these important guidelines.
