

STAINLESS STEEL EXPANDER MANDRELS - SINCLAIR INTERNATIONAL STAINLESS STEEL EXPANDER MANDREL, 6.5MM (.263")

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

Our neck turning tool mandrels are made from high grade stainless steel on Precision turning centers. The shape, finish, and size are the result of years of use and experimentation by many hand loaders. All of our mandrels fit both our NT-3000 and NT-1000 neck turning tools and most of our older model neck turning tools. Our neck turning tool mandrels measure approximately about .002" less than the bullet diameter for the caliber. Our expander mandrels are made .001" larger than the turning mandrels. Using an expander mandrel prior to neck turning sizes the case to fit the neck turning mandrels perfectly. This correct fit makes the turning process more precise and much easier. Any of the mandrels can be used to "neck" cases up to the next caliber when used with the NT-EXP (Expander Body).

Attributes

- Name: [SINCLAIR INTERNATIONAL STAINLESS STEEL EXPANDER MANDREL, 6.5MM \(.263"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749001179
- Mfr. No.: E26
- Caliber: 6.5mm, 264 Caliber
- Diameter (in): 0.263
- Delivery weight: 0.032kg
- Shipping width: 83mm
- Shipping length: 146mm

Safety Instruction Guide for Stainless Steel Expander Mandrels

Introduction

Thank you for choosing the Stainless Steel Expander Mandrels from Sinclair International. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the mandrels.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the mandrels out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the mandrels for any signs of wear or damage before use. Do not use damaged mandrels.
- Use protective eyewear when handling and using the mandrels to protect against potential debris or injury.
- Store the mandrels in a safe, dry place to prevent rust and damage.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including gloves and goggles, when using the expander mandrels.
- Avoid using excessive force during operation as this may lead to equipment malfunction or personal injury.
- Ensure that the mandrels are compatible with your neck turning tools before use.
- Be cautious when handling the mandrels, as their edges may be sharp.
- Do not attempt to modify or alter the mandrels in any way, as this may compromise their safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and free of any obstructions.
- Gather all necessary tools and materials before starting.

2. Installation:

- Insert the expander mandrel into the neck turning tool securely.
- Make sure the mandrel is properly aligned to avoid any misalignment during operation.

3. Usage:

- Use the expander mandrel prior to neck turning to size the case correctly.
- Turn the tool gently and steadily, applying even pressure.
- Monitor the process closely to ensure that the mandrel is functioning correctly.

4. Post Use:

- After use, clean the mandrels with a soft cloth to remove any debris or residue.
- Store the mandrels in a protective case or designated area to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable mandrels in accordance with local regulations.
- Do not throw the mandrels in regular household waste. Check for local recycling programs that accept metal products.

Contact Information for Further Support

For any inquiries regarding the safety or use of the Stainless Steel Expander Mandrels, please reach out to your local authorized distributor or refer to the manufacturer's website for assistance.

By adhering to these safety instructions and guidelines, you can ensure the effective and safe use of the Stainless Steel Expander Mandrels. Thank you for your attention to these important safety measures.
