Target Stamps Safety Instruction Guide

Introduction

Thank you for purchasing the Target Stamps by Sinclair International. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the stamps.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the stamps away from children and vulnerable individuals to prevent accidents.
- Regularly inspect the stamps for any signs of damage or wear. Do not use damaged stamps.
- Store the stamps in a cool, dry place away from direct sunlight to maintain their quality.
- Avoid using the stamps on surfaces that are not suitable for ink, as this may lead to permanent stains.

Specific Safety Precautions for Use

- Use only standard ink pads that are compatible with rubber stamps.
- Avoid applying excessive pressure when stamping to prevent ink leakage or damage to the stamp.
- Do not place the stamps in water or expose them to extreme temperatures.
- If you experience any allergic reactions to the ink or material of the stamps, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the surface you intend to stamp on is clean and flat.
- Choose a suitable ink pad that is compatible with rubber stamps.

2. Inking the Stamp:

- Gently press the stamp onto the ink pad to apply ink evenly.
- Avoid overinking, as this may cause smudging.

3. Stamping:

- Position the stamp firmly on the desired surface.
- Apply even pressure on the stamp for a clear impression.
- Lift the stamp straight up to avoid smudging.

4. Cleaning the Stamp:

- Clean the stamp with a damp cloth or sponge after use to remove excess ink.
- Allow the stamp to dry completely before storing.

5. Storage:

- Store the stamps in their original packaging or a protective case to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn stamps in accordance with local waste disposal regulations.
- Do not incinerate the stamps or any packaging materials, as this may release harmful substances.
