

RIFLE CASE HOLDERS - L.E. WILSON 444 MARLIN CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 444 Marlin Case Holder

Introduction

Thank you for choosing the L.E. Wilson 444 Marlin Case Holder. This product is designed to assist in trimming, primer pocket reaming, neck reaming, and deburring of cases. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding the proper handling, usage, and disposal of the product.

General Safety Guidelines

- Always use the case holder in a wellventilated area to avoid inhaling any dust or debris produced during operation.
- Ensure that the case holder is used only for its intended purpose: trimming and processing 444 Marlin cases.
- Keep the case holder out of reach of children and pets to prevent accidents.
- Inspect the case holder for any damage or wear before each use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for safe operation.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** The primary hazards associated with the use of the L.E. Wilson Case Holder include:
 - Risk of injury from sharp edges or moving parts.
 - Potential for eye injury from debris or particles.
 - Risk of damage to the case holder or cases if not used properly.
- **Avoiding Hazards:**
 - Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the case holder.
 - Keep hands and other body parts clear of moving parts during operation.
 - Do not attempt to modify or disassemble the case holder.
 - Ensure that the working area is clean and free from any obstructions or hazards.
- **AgeSpecific Warnings:** This product is not intended for use by children. It should only be used by individuals who are knowledgeable in reloading and case processing.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that you have a stable work surface.
 - Secure the case holder in a trimmer or reloading press according to the manufacturer's instructions.
 - Confirm that the case holder is properly aligned and tightened before use.
- **Usage:**
 - Select the appropriate case holder for your needs (Fired, New, Neck Sized, or Full Length sized

cases).

- Insert the case into the holder, ensuring it is seated properly.
- Follow the instructions for your specific trimming or processing task.
- After completing the task, remove the case holder from the trimmer or press and clean it as necessary.

Disposal Instructions

- Dispose of the L.E. Wilson Case Holder in accordance with local regulations.
- If the case holder is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website for further assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your L.E. Wilson 444 Marlin Case Holder. Thank you for your attention to safety and proper usage.
