

# RIFLE CASE HOLDERS - L.E. WILSON 38-40 WINCHESTER CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 3840 Winchester Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 3840 Winchester Rifle Case Holder. This product is designed to assist you in trimming, reaming, and deburring your rifle cases, ensuring accuracy and uniformity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read the product manual and safety instructions before use.
- Ensure that the product is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use the case holder in a wellventilated area to avoid inhalation of dust or debris.
- Always wear safety goggles when trimming or reaming cases to protect your eyes from flying particles.
- Utilize appropriate gloves to protect your hands from sharp edges and debris.
- Ensure that the case holder is securely attached to the trimmer before use to prevent accidents.
- Do not exceed the recommended trim length for your cases to avoid potential hazards.
- Avoid using excessive force when trimming or reaming to prevent damage to the case holder or the cases.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the trimmer is unplugged before attaching the case holder.
- Select the appropriate case holder for your cases (Fired, New, Neck, or Full Length sized).
- Attach the case holder to the trimmer securely, ensuring it is properly aligned.
- Check that the case holder is stable and does not wobble.

### 2. Usage:

- Insert the case into the holder, ensuring it is seated properly.
- Follow the manufacturer's instructions for setting the desired trim length.
- Power on the trimmer and begin the trimming process, applying gentle pressure.
- Monitor the trimming process closely and stop if any unusual noises or resistance is felt.
- Once trimming is complete, carefully remove the case from the holder.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites for metal products.
- Ensure that any hazardous materials or components are disposed of safely.

## **Contact Information for Further Support**

For any inquiries regarding safety, product usage, or to report unsafe products, please refer to the appropriate EU contact point or safety authority in your country.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your L.E. Wilson 3840 Winchester Rifle Case Holder. Thank you for prioritizing safety and responsible use of this product.
