

# RIFLE CASE HOLDERS - 6.8 REMINGTON SPC FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson Rifle Case Holders

## Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to hold fired cases securely during trimming, primer pocket reaming, neck reaming, and deburring. To ensure safe and effective use of the Rifle Case Holder, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the Rifle Case Holder in a wellventilated area to avoid inhaling any dust or debris generated during the reloading process.
- Keep the Rifle Case Holder out of reach of children and vulnerable individuals.
- Inspect the Rifle Case Holder before each use for any signs of damage or wear. Do not use if damaged.
- Use the product only for its intended purpose as specified in this manual.
- Follow all manufacturer instructions and guidelines for the safe handling of reloading components.

## Specific Safety Precautions for Use

- Ensure that the case holder is compatible with the type of cases you are using (Fired, New, Neck Sized, or Full Length Sized).
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Rifle Case Holder.
- Avoid placing fingers near moving parts during operation to prevent injury.
- Do not exceed the recommended trimming length or any other specifications provided in the product instructions.
- If you experience any unusual resistance or difficulty while using the product, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the trimming process.
- Ensure you have a clean and organized workspace.

### 2. Installation of the Case Holder:

- Insert the fired case into the Rifle Case Holder, ensuring it is seated securely.
- If using a NEW Case Holder, confirm that the brass or cases have been fulllength sized before installation.

### 3. Using the Case Holder:

- Attach the Rifle Case Holder to the trimmer securely, following the manufacturer's instructions.
- Adjust the trimmer settings according to the specifications for the case you are trimming.
- Begin the trimming process, applying steady and even pressure. Monitor the case closely for any signs of damage or improper operation.

### 4. PostUse Care:

- After use, remove the case from the holder and clean the holder as per the manufacturer's

- recommendations.
- Store the Rifle Case Holder in a dry and safe location to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn components of the Rifle Case Holder responsibly, following local waste disposal regulations.
- For any remaining cases or reloading components, consult local guidelines for proper disposal or recycling options.

## Contact Information for Further Support

For any questions or concerns regarding the safety or use of the L.E. Wilson Rifle Case Holder, please refer to the manufacturer or authorized retailer for assistance. Always ensure you are using the product in compliance with safety standards and guidelines.

By adhering to these safety instructions, you can ensure a safer and more effective reloading experience with your L.E. Wilson Rifle Case Holder. Thank you for prioritizing safety in your reloading activities.
