

RIFLE CASE HOLDERS - 6.5 GRENDAL FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson Rifle Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before using the Rifle Case Holder.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the Rifle Case Holder is compatible with your specific case type.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Rifle Case Holder regularly for any signs of damage or wear before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** The Rifle Case Holder is designed to hold fired cases securely. Improper use may lead to accidents or injuries.
- **Avoiding Hazards:**
 - Do not attempt to use the holder with cases that are not compatible (e.g., unfired cases with Fired Case Holders).
 - Ensure that the case is seated properly in the holder before trimming or reaming.
 - Always wear appropriate eye protection when performing reloading tasks.
 - Keep hands and body clear of moving parts during operation.
 - Do not exceed the manufacturer's recommendations for trimming or reaming.

Instructions for Installation and Usage

1. Installation:

- Place the Rifle Case Holder securely in the trimmer or reaming tool as per the manufacturer's instructions.
- Ensure that the holder is firmly attached and does not wobble.

2. Usage:

- Insert the fired case into the holder until it is fully seated.
- Confirm that the case is properly supported by the holder.
- Perform trimming, primer pocket reaming, neck reaming, or deburring as needed.
- After use, remove the case from the holder carefully.

3. PostUse Care:

- Clean the Rifle Case Holder after each use to remove any debris or residue.
- Store the holder in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the Rifle Case Holder according to local regulations for nonhazardous materials.
- If the product is damaged beyond use, ensure it is disposed of in a manner that prevents accidental injury to others.

Contact Information for Further Support

For additional support and safety inquiries, please refer to the contact details provided with your purchase or visit the manufacturer's website. Always ensure you have the latest safety information and guidance.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the L.E. Wilson Rifle Case Holder. Thank you for your attention to these important safety guidelines.
