

# TYPE B CUSTOM DROP TUBES 22 CAL AND UP - 22 CALIBER 8"

## TYPE B CUSTOM DROP TUBE

[Reloading](#) > [Powder Handling](#) > [Powder Measures & Dispensers](#)

Sinclair Custom Type B Drop Tubes are clear acrylic so you can observe your powder charge as it drops. Each drop tube is fitted with an aluminum sleeve to insure a perfect fit in your powder measure or drop tube adapter. Our .22 caliber and up drop tubes are available in 3/16" inside diameter and 4 different lengths. The longer lengths are great when you are trying to get more powder in a high fill case, especially when using longer bullets. Type B Drop Tubes will fit Lyman, Dodd, Bruno and older Sinclair/Culver style powder measures directly, no adapters are needed.

# Safety Instruction Guide for TYPE B CUSTOM DROP TUBES 22 CAL AND UP

## Introduction

Thank you for purchasing the TYPE B CUSTOM DROP TUBES 22 CAL AND UP. This guide provides essential safety information and instructions for the safe use and handling of this product. Please read this guide carefully before using the drop tubes to ensure a safe and effective experience.

## General Safety Guidelines

- Always use the drop tubes in accordance with the manufacturer's instructions.
- Keep the drop tubes out of reach of children and vulnerable individuals.
- Inspect the drop tubes for any signs of damage before use. Do not use if damaged.
- Ensure that the drop tubes are compatible with your powder measure or drop tube adapter.
- Store the drop tubes in a cool, dry place away from direct sunlight and extreme temperatures.
- Familiarize yourself with the specific hazards associated with the powders you are using.

## Specific Safety Precautions for Use

- Avoid using the drop tubes with powders that are not recommended by the manufacturer.
- Do not exceed the recommended fill levels when using the drop tubes.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling powders.
- Ensure proper ventilation in the area where you are using the drop tubes.
- Do not attempt to modify or alter the drop tubes in any way.
- If you experience any adverse reactions while using the drop tubes, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the drop tube from its packaging.
- Ensure that the aluminum sleeve is securely fitted to the drop tube.
- Insert the drop tube into your powder measure or drop tube adapter, ensuring a snug fit.

### 2. Usage:

- Measure out the desired amount of powder using the drop tube.
- Observe the powder charge as it drops through the clear acrylic material.
- After use, clean the drop tube to prevent powder buildup and ensure accurate measurements in the future.

## Disposal Instructions

- Dispose of any damaged or unusable drop tubes in accordance with local regulations.
- Do not dispose of powders or residues in regular trash; follow local hazardous waste disposal guidelines.
- Recycle the packaging materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the TYPE B CUSTOM DROP TUBES 22 CAL AND UP, please consult the manufacturer's customer service or your local retailer. For safety inquiries, contact your local consumer safety authority.

Thank you for prioritizing safety while using the TYPE B CUSTOM DROP TUBES. Enjoy your reloading experience!
