

BULLET PULLER COLLET - HORNADY BULLET PULLER COLLET/338/358 C

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

The Hornady Cam-Lock Bullet Puller is the nicest collet style puller we have used. The cam feature locks the collet around the bullet and uses your press leverage to pull the bullet. We are really impressed with the quality of this tool and smoothness of operation.

Safety Instruction Guide for Hornady Bullet Puller Collet

Introduction

Thank you for choosing the Hornady CamLock Bullet Puller Collet. This guide provides important safety instructions and usage information to ensure your safety and the proper operation of this product. Please read this guide carefully before using the Bullet Puller Collet.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the bullet puller.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the bullet puller for any purpose other than its intended use.
- Inspect the product regularly for any signs of wear or damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- Ensure that the bullet puller is securely attached to the press before use.
- Do not exceed the recommended caliber specifications for the collet.
- Always doublecheck that the bullet is properly seated in the collet before applying force.
- Avoid placing hands or body parts near the area where the bullet is being pulled.
- Use caution when handling pulled bullets, as they may still contain gunpowder or primers.

Instructions for Installation and Usage

1. Installation:

- Attach the Hornady Bullet Puller Collet to your reloading press according to the manufacturer's instructions.
- Ensure that the collet is tightened securely to avoid any movement during operation.

2. Usage:

- Place the cartridge with the bullet you wish to pull into the collet.
- Adjust the press handle to engage the camlock feature, ensuring the collet grips the bullet firmly.
- Apply steady pressure using the press handle to pull the bullet from the cartridge case.
- Once the bullet is removed, inspect the collet and cartridge for any damage before proceeding with further operations.

Disposal Instructions

- Dispose of used bullets and cartridge components in accordance with local regulations.
- Do not dispose of bullets or components in regular household waste.
- Contact local authorities or recycling centers for guidance on safe disposal methods.
