

BULLET PULLER COLLET - HORNADY BULLET PULLER COLLET/45 CAL

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

The Hornady Cam-Lock Bullet Puller is the nicest collet style puller we have used. The cam feature locks the collet around the bullet and uses your press leverage to pull the bullet. We are really impressed with the quality of this tool and smoothness of operation.

Safety Instruction Guide for Hornady Bullet Puller Collet

Introduction

Thank you for choosing the Hornady CamLock Bullet Puller. This guide provides essential safety instructions to ensure the safe and effective use of the Bullet Puller. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that all users are aware of the safety instructions before using the Bullet Puller.
- Always use the Bullet Puller in a wellventilated area.
- Keep the Bullet Puller out of reach of children and vulnerable individuals.
- Inspect the Bullet Puller for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for safe operation.
- Report any unsafe conditions or incidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Bullet Puller.
- Ensure that the Bullet Puller is securely attached to the reloading press before use.
- Do not attempt to pull bullets that are not compatible with the Bullet Puller.
- Avoid excessive force when using the Bullet Puller to prevent damage to the tool or injury.
- Do not use the Bullet Puller for any purpose other than its intended use.
- Be cautious of any sharp edges or moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Attach the Hornady Bullet Puller to the reloading press according to the manufacturer's instructions.
- Ensure that the collet is compatible with the caliber of the bullet you are using (45 Caliber).
- Tighten all connections securely to prevent any movement during operation.

2. Usage:

- Place the bullet you wish to pull into the collet of the Bullet Puller.
- Engage the cam feature to lock the collet around the bullet securely.
- Use the leverage of your reloading press to pull the bullet out of the casing.
- Inspect the bullet and the casing after pulling to ensure they are not damaged.
- Clean the Bullet Puller after use and store it in a safe place.

Disposal Instructions

- Dispose of any damaged or unusable parts of the Bullet Puller in accordance with local regulations.
- Do not dispose of the Bullet Puller in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Hornady Bullet Puller, please reach out to your local retailer or check the manufacturer's website for support options.

By following these safety instructions, you can ensure a safe and effective experience with your Hornady Bullet Puller. Thank you for your attention to safety.
