

BULLET PULLER COLLET - HORNADY BULLET PULLER COLLET/25/6.5MM

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

The Hornady Cam-Lock Bullet Puller is the nicest collet style puller we have used. The cam feature locks the collet around the bullet and uses your press leverage to pull the bullet. We are really impressed with the quality of this tool and smoothness of operation.

Safety Instruction Guide for Hornady Bullet Puller Collet

Introduction

Thank you for choosing the Hornady CamLock Bullet Puller Collet. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with the product. Please read this guide carefully before using the bullet puller.

General Safety Guidelines

- Always read and follow the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Use the bullet puller only for its intended purpose.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the bullet puller is compatible with the caliber of bullets you are using (264/6.5 mm or 25 Caliber).
- Always wear appropriate safety gear, such as safety glasses and gloves, when using the bullet puller.
- Avoid using excessive force when pulling bullets to prevent tool damage or personal injury.
- Do not modify the bullet puller in any way, as this may compromise safety.
- Store the bullet puller in a dry, secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the correct collet size for your bullet (6.5 mm or 25 caliber).
- Set up your reloading press according to the manufacturer's instructions.

2. Installation of the Collet:

- Remove the collet from its packaging.
- Attach the collet to the bullet puller by screwing it onto the tool until secure.

3. Loading the Bullet:

- Insert the bullet into the collet, ensuring it is seated properly.
- Use the cam feature to lock the collet around the bullet securely.

4. Pulling the Bullet:

- With the bullet securely held in the collet, apply steady pressure on the reloading press handle.
- The leverage will pull the bullet from the casing. Avoid jerking motions to maintain control.

5. PostUse:

- After use, inspect the bullet puller for any signs of wear or damage.
- Clean the tool as necessary to maintain its functionality.

Disposal Instructions

- Dispose of any broken or damaged parts in accordance with local regulations.
- If the bullet puller is no longer usable, consider recycling materials where appropriate.
- Do not dispose of the product in household waste.
