Safety Instruction Guide for Iosso Sizing Lubricant and Cleaner

Introduction

Thank you for choosing Iosso Sizing Lubricant and Cleaner. This product is designed to lubricate and clean cases efficiently. It is biodegradable and watersoluble, making it an environmentally friendly choice for your needs. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Always use the product in wellventilated areas to avoid inhalation of vapors.
- Keep the product out of reach of children and pets.
- Do not ingest the product or use it for any purpose other than intended.
- In case of accidental contact with eyes or skin, rinse immediately with plenty of water.
- If you experience any adverse reactions, seek medical attention immediately.
- Regularly check for product recalls or safety alerts via the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the product is stored in a cool, dry place away from direct sunlight and heat sources.
- Avoid using the product near open flames or sparks, as it is nonflammable but should still be handled with care.
- Do not mix this product with other chemicals or cleaning agents.
- Always wear protective gloves when handling cases treated with the lubricant to prevent skin irritation.
- Use the product only as directed to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free from any contaminants.
- Gather all necessary materials, including the Iosso Sizing Lubricant, cases to be treated, and cleaning cloths or hot water for rinsing.

2. Application:

- Shake the bottle of Iosso Sizing Lubricant before use to ensure proper consistency.
- Apply a small amount of lubricant directly onto the case or onto a cloth.
- Gently rub the lubricant onto the surface of the case, ensuring even coverage.

3. Cleaning:

- After sizing, you can either wipe off excess lubricant with a clean cloth or rinse the cases in hot water.
- For best results, allow the cases to tumble polish after treatment.

4. Storage:

- After use, securely close the bottle and store it in a safe place, out of reach of children and pets.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the product down the drain or dispose of it in the environment.
- Check for any specific disposal guidelines provided by local waste management authorities.

Contact Information for Further Support

For any questions or concerns regarding the use of Iosso Sizing Lubricant and Cleaner, please refer to the product packaging for contact details or consult the manufacturer's website for additional information.

Thank you for using Iosso Sizing Lubricant and Cleaner. Your safety and satisfaction are our top priorities.
