

FLIP-OPEN OBJECTIVE LENS COVERS - BUTLER CREEK OBJECTIVE LENS COVER #5 1.387" (35.2MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

FLIPOPEN OBJECTIVE LENS COVERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVERS by Butler Creek. These lens covers are designed to protect your scope's lenses from damage during tactical and hunting situations. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the lens covers are securely attached to your scope when not in use.
- Inspect the lens covers regularly for any signs of wear or damage.
- Keep lens covers out of reach of children to prevent accidental ingestion or misuse.
- Do not use the lens covers for purposes other than protecting your scope's lenses.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Be cautious when flipping the lens covers open. Ensure that your fingers are clear of the mechanism to avoid pinching.
- Avoid exposing the lens covers to extreme temperatures, which may affect their functionality.
- Do not attempt to modify or repair the lens covers. This may compromise their safety and effectiveness.
- If the lens covers become dirty, clean them gently with a soft, lintfree cloth. Avoid using harsh chemicals or abrasive materials.
- Use the lens covers in accordance with the manufacturer's specifications to ensure optimal performance.

Instructions for Installation and Usage

1. Measuring Your Scope:

- Measure the diameter of your scope's eyepiece or objective to determine the correct lens cover size.
- Refer to the provided chart for guidance on selecting the appropriate cover.

2. Installing the Lens Covers:

- Align the lens cover with the eyepiece or objective of your scope.
- Gently press the lens cover into place until it is secure.
- Ensure the cover is properly fitted and does not obstruct the view.

3. Using the Lens Covers:

- To open the lens cover, apply gentle finger pressure to the designated area.
- The cover will spring up and out of the way, allowing for easy viewing.
- After use, close the lens cover securely to protect the lens from dust and moisture.

4. Storage:

- When not in use, store the lens covers in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the lens covers in accordance with local regulations for plastic waste.
- Do not dispose of lens covers in regular household waste if they contain any hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the product packaging for contact information. It is important to reach out to an authorized representative for assistance.

Thank you for your attention to these safety instructions. Enjoy using your FLIPOPEN OBJECTIVE LENS COVERS responsibly and safely!
