# BULLET PULLER COLLET SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Forster Bullet Puller Collet for your reloading needs. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bullet puller.

## General Safety Guidelines

- Always handle the bullet puller with care and ensure that it is used in a safe environment.
- Keep the bullet puller out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using the bullet puller.
- Ensure that the bullet puller is used in accordance with the manufacturer's instructions.
- Regularly inspect the bullet puller for any signs of wear or damage before use.
- Do not use the bullet puller with any damaged or defective components.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the Forster Bullet Puller with bullets of the specified caliber (e.g., .357).
- Ensure that the bullet puller is properly attached to a compatible 7/8" 14 reloading press.
- Do not exceed the recommended load limits when using the bullet puller.
- Avoid placing your hands or fingers near the collet while in use to prevent injury.
- Do not attempt to modify or repair the bullet puller yourself. Seek professional assistance if needed.
- Store the bullet puller in a cool, dry place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate collet for the caliber of bullet you are using.
- Attach the collet to the bullet puller according to the manufacturer's instructions.
- Securely mount the bullet puller onto the 7/8" 14 reloading press.

### 2. Usage:

- Insert the bullet into the collet, ensuring it is properly seated.
- Engage the reloading press handle to begin the bullet pulling process.
- Maintain a firm grip on the press handle and avoid sudden movements.
- Once the bullet is pulled, carefully remove it from the collet.
- Inspect the bullet and collet for any damage before reusing.

## Disposal Instructions

- Dispose of any damaged or worn components of the bullet puller in accordance with local regulations.
- Do not dispose of the bullet puller in household waste. Instead, check with local waste management authorities for proper disposal methods.
