BULLET PULLER COLLET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Forster Bullet Puller Collet #338. This product is designed to efficiently and safely remove bullets from cartridge cases using a colletstyle mechanism. Please read the following safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the bullet puller is used only for its intended purpose.
- Always read the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact the manufacturer.
- Follow all local laws and regulations regarding ammunition and reloading practices.
- Store the bullet puller in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Use only the appropriate collet for the caliber of bullet you are working with.
- Do not attempt to modify or alter the bullet puller in any way.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the bullet puller.
- Ensure that the reloading press is securely mounted and stable before use.
- Avoid placing hands or other body parts near the collet during operation to prevent injury.
- Do not force the bullet puller if it does not operate smoothly; check for obstructions or misalignment.
- Keep the work area clean and free from clutter to avoid accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Forster Bullet Puller.
- Attach the bullet puller to the press according to the manufacturer's instructions.
- Select the correct collet for the .338 caliber bullet and securely attach it to the bullet puller.

2. Usage:

- Place the cartridge case with the bullet into the collet.
- Ensure that the bullet is properly seated in the collet.
- Pull the handle of the reloading press smoothly and steadily to remove the bullet from the case.
- Inspect the bullet and cartridge case after removal for any damage.

Disposal Instructions

- Dispose of any damaged or unusable components of the bullet puller in accordance with local regulations.
- Do not dispose of the bullet puller in regular household waste. Check with local authorities for appropriate disposal methods.
- Ensure that all ammunition components are disposed of safely and in compliance with local laws.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Forster Bullet Puller Collet #338, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience when using the Forster Bullet Puller Collet #338. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
