

MULTI-FLEX FLIP-OPEN EYEPiece LENS COVERS - BUTLER CREEK

EYEPiece LENS COVER #19,20 1.73-1.775" (43.9-45.1MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

These new flip-open scope lens covers from Butler Creek will give you the same great lens protection as the standard covers we have carried for years. The Multi-Flex covers have additional flex in the collar so a wider range of scopes can be covered with each size. The tight, flexible skirt provides a custom fit for multiple scopes with the same features as the standard flip-open covers. Use Butler Creek Multi-Flex Sizing chart for cross reference to proper size.

MULTIFLEX FLIPOPEN EYEPiece LENS COVERS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Butler Creek MultiFlex FlipOpen Eyepiece Lens Covers. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the lens covers are compatible with your scope size before use.
- Always inspect the lens covers for any damage before installation.
- Keep the lens covers away from children to prevent accidental ingestion or injury.
- Do not use the lens covers if they show signs of wear or damage.
- Follow all local regulations regarding the disposal of packaging materials.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of lens damage if the covers are not properly fitted.
- Risk of injury if the covers are used improperly or if they break.

- **Avoiding Hazards:**

- Ensure the lens covers are securely attached to the eyepiece to prevent them from falling off during use.
- Do not force the covers open or closed; use gentle pressure to avoid breakage.
- Store the lens covers in a dry, cool place when not in use to prevent warping or damage.

Instructions for Installation and Usage

1. Installation:

- Identify the correct size of the lens covers using the Butler Creek MultiFlex Sizing chart.
- Align the lens cover with the eyepiece of your scope.
- Gently press the cover onto the eyepiece until it fits snugly.
- Ensure that the flexible skirt is properly seated to provide a custom fit.

2. Usage:

- To open the lens covers, gently pull on the edges of the cover.
- When not in use, close the lens covers to protect the lenses from dirt and scratches.
- Regularly check the fit of the lens covers and adjust as necessary.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste disposal regulations.
- If the lens covers are damaged or no longer usable, dispose of them responsibly to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the EUbased contact point provided by the manufacturer.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Butler Creek MultiFlex FlipOpen Eyepiece Lens Covers. Thank you for your attention to these guidelines, and enjoy using your product safely.
