

MULTI-FLEX FLIP-OPEN OBJECTIVE LENS COVERS - BUTLER CREEK

OBJECTIVE LENS COVER #20,21 1.7-1.735" (43.2-44.1MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

These flip-open scope lens covers from Butler Creek will give you the same great lens protection as the standard covers we have carried for years. The Multi-Flex covers have additional flex in the collar so a wider range of scopes can be covered with each size. The tight, flexible skirt provides a custom fit for multiple scopes with the same features as the standard flip-open covers. Use Butler Creek Multi-Flex Sizing chart for cross reference to proper size.

Safety Instruction Guide for MULTIFLEX FLIPOPEN OBJECTIVE LENS COVERS

Introduction

Thank you for choosing the MULTIFLEX FLIPOPEN OBJECTIVE LENS COVERS by Butler Creek. This product is designed to provide superior lens protection for your scopes while ensuring ease of use. Please read this safety instruction guide carefully to ensure safe and effective use of the lens covers.

General Safety Guidelines

- Ensure that the lens covers are compatible with your scope size (1.71.735 inches or 43.244.1mm).
- Regularly inspect the lens covers for any signs of wear or damage before use.
- Keep the lens covers out of reach of children to prevent accidental injury.
- Use the lens covers only for their intended purpose to avoid hazards.
- In case of any malfunction or damage, discontinue use immediately and refer to the manufacturer for guidance.

Specific Safety Precautions for Use

- Avoid exposing the lens covers to extreme temperatures or harsh environmental conditions, as this may affect their performance.
- Do not force the lens covers open or closed; use a gentle motion to avoid damaging the hinges or the cover itself.
- Ensure that the lens covers are securely fastened to the scope before use to prevent accidental detachment.
- If you notice any difficulty in opening or closing the lens covers, stop using them and check for obstructions or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the scope is clean and free from debris before attaching the lens covers.

2. Installation:

- Align the lens cover collar with the objective lens of the scope.
- Gently press the lens cover onto the objective lens until it fits snugly in place.
- Ensure that the flexible skirt of the lens cover conforms to the shape of the scope for a secure fit.

3. Usage:

- To open the lens cover, gently pull the cover away from the lens using the designated grip area.
- When finished using the scope, close the lens cover by gently pushing it back into place until you hear a click.

4. Maintenance:

- Regularly clean the lens covers with a soft, dry cloth to maintain visibility and performance.
- Avoid using harsh chemicals or abrasive materials that may scratch or damage the covers.

Disposal Instructions

- Dispose of the lens covers responsibly in accordance with local waste disposal regulations.
- If the product is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the lens covers in the environment; follow proper disposal methods to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MULTIFLEX FLIPOPEN OBJECTIVE LENS COVERS, please refer to the manufacturer's contact information provided in the product packaging or visit the official Butler Creek website for assistance.

This safety instruction guide is designed to help you use the MULTIFLEX FLIPOPEN OBJECTIVE LENS COVERS safely and effectively. By following these guidelines, you can ensure the longevity of your product and maintain a safe environment during its use. Thank you for your attention to safety.
