

# **MULTI-FLEX FLIP-OPEN OBJECTIVE LENS COVERS - BUTLER CREEK OBJECTIVE LENS COVER #25,26,27 1.8-1.84" (45.7-46.7MM)**

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

These flip-open scope lens covers from Butler Creek will give you the same great lens protection as the standard covers we have carried for years. The Multi-Flex covers have additional flex in the collar so a wider range of scopes can be covered with each size. The tight, flexible skirt provides a custom fit for multiple scopes with the same features as the standard flip-open covers. Use Butler Creek Multi-Flex Sizing chart for cross reference to proper size.

# Safety Instruction Guide for MULTIFLEX FLIOPEN OBJECTIVE LENS COVERS

## Introduction

Thank you for choosing the MULTIFLEX FLIOPEN OBJECTIVE LENS COVERS by Butler Creek. These lens covers are designed to provide optimal protection for your scope lenses while ensuring ease of use. This guide contains important safety information and usage instructions to help you use the product safely and effectively.

## General Safety Guidelines

- Ensure that the lens covers are compatible with your scope sizes (25 to 27 Objective, 1.81.84 inches or 45.746.7 mm).
- Inspect the lens covers for any visible damage before use. Do not use if damaged.
- Keep the lens covers out of reach of children to prevent accidental ingestion or choking hazards.
- Always use the lens covers as intended; misuse may lead to damage or personal injury.
- In case of any malfunction or safety concern, discontinue use immediately and consult the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that the lens covers fit your specific scope model. Refer to the Butler Creek MultiFlex Sizing chart for guidance.
- **Installation:** Ensure the lens covers are securely attached to prevent them from falling off during use.
- **Handling:** Handle the lens covers gently. Excessive force may damage the flexible skirt or collar.
- **Cleaning:** Clean the lens covers with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials that may scratch the surface.
- **Storage:** Store the lens covers in a cool, dry place away from direct sunlight to maintain their integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate lens cover size based on your scope model.
- Align the lens cover with the objective lens of your scope.
- Gently press the cover onto the lens until it fits snugly. Ensure that the flexible skirt wraps around the lens securely.

### 2. Usage:

- To open the lens cover, simply flip it open using the designated tab or edge.
- When not in use, close the lens cover to protect the lens from dirt, moisture, and scratches.
- Regularly check the fit of the lens covers during use to ensure they remain securely attached.

## Disposal Instructions

- Dispose of the lens covers in accordance with local regulations regarding plastic waste.
- If the lens covers are damaged or no longer usable, consider recycling them if facilities are available in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MULTIFLEX FLIOPEN OBJECTIVE LENS COVERS, please refer to the manufacturer's contact information provided with your product packaging or visit the official Butler Creek website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your MULTIFLEX FLIOPEN OBJECTIVE LENS COVERS. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
