Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the bullet puller.
- Ensure that the bullet puller is compatible with the caliber you are using (in this case, .284).
- Do not exceed the recommended load limits for the bullet puller.
- Keep your work area clean and organized to avoid accidents.
- Never use the bullet puller on live ammunition. Only use it on spent cartridges.
- Inspect the bullet puller and collets for damage before each use. Do not use damaged equipment.
- Store the bullet puller and collets in a secure location when not in use.

Instructions for Installation and Usage

1. **Installation**:

   - Ensure that your reloading press is securely mounted and stable.
   - Choose the correct collet for the .284 caliber bullet.
   - Attach the collet to the bullet puller according to the manufacturer's instructions.
   - Insert the bullet puller into the reloading press, ensuring it is securely fastened.

2. **Usage**:

   - Place the cartridge with the bullet to be pulled into the collet.
   - Tighten the collet securely around the bullet.
   - Operate the reloading press to pull the bullet. Follow the press's operational instructions for best practices.
   - Once the bullet is removed, carefully release the collet and remove the cartridge case.

Disposal Instructions

- Dispose of any spent cartridges and pulled bullets according to local regulations.
- Do not dispose of the bullet puller or collets in regular household waste. Check with local waste

management for proper disposal methods.
