PILOT/NECK REAMER RCBS CASE NECK TURNER PILOT/REAMER 30 CAL Safety Instruction Guide

Introduction

Thank you for choosing the PILOT/NECK REAMER RCBS CASE NECK TURNER PILOT/REAMER 30 CAL. This product is designed to assist in the precise turning of cartridge case necks. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always inspect the product for any damage or defects before use.
- Use the product only as described in this manual to avoid potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for updates on the EU's Safety Gate platform regarding product recalls.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the neck reamer.
- Ensure the workspace is clean and free from obstructions to prevent accidents.
- Do not exceed the specified caliber of 30 Cal when using this product.
- Avoid using the product with the Trim Pro Power Case Trimmer, as it is not compatible.
- Do not attempt to modify or repair the product; seek professional assistance if needed.
- Be cautious of sharp edges and moving parts during operation.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean and organized workspace.
- Gather all necessary tools and safety equipment before starting.

2. Installation

- Attach the neck reamer pilot securely to the reamer tool according to the manufacturer's instructions.
- Ensure that the pilot is properly aligned with the cutter to guarantee effective operation.

3. Usage

- Insert the sized cartridge case into the neck reamer.
- Turn the handle slowly and steadily to allow the cutter to work evenly on both the inside and outside of the neck.
- Monitor the process closely to avoid overremoval of material.
- Once the desired thickness is achieved, carefully remove the cartridge case.

4. Post Usage

- Clean the neck reamer and pilot after each use to prevent buildup of debris.
- Store the product in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste if it contains sharp or hazardous components.
- Consider recycling options where available.

Contact Information for Further Support
