

# TRIM PRO 3-WAY CHAMFER PILOTS - RCBS TRIM PRO 3-WAY CHAMFER PILOTS 6.5MM

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmer Pilots](#)

The RCBS 3-Way Cutter is designed for use on Trim Pro Case Trimmers and reduces the trimming /deburring chore. The 3-Way Cutter not only trims cases to lengths but an inside blade chamfers the case while an outside blade deburrs it. Install on all Trim Pro Case Trimmers. Order one 3-Way Cutter by caliber and then simply order additional chamfer/pilots for other calibers.

# Safety Instruction Guide for RCBS TRIM PRO 3WAY CHAMFER PILOTS

## Introduction

Thank you for choosing the RCBS TRIM PRO 3WAY CHAMFER PILOTS. This product is designed to enhance your reloading experience by providing efficient trimming and chamfering of cases. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before use.
- Do not use the product if it is damaged or not functioning properly.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the trimmer.

## Specific Safety Precautions for Use

- Ensure that the case trimmer is securely mounted before use to avoid unexpected movement.
- Do not attempt to modify or alter the product in any way.
- Always use the correct caliber chamfer pilot for the specific case you are trimming.
- Avoid placing your hands near the cutting blades during operation.
- Use caution when handling sharp edges and blades to prevent cuts and injuries.
- Keep your fingers and other body parts away from the cutting area while the tool is in use.
- Do not operate the product if you are tired or under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Trim Pro Case Trimmer is unplugged or turned off before installation.
- Remove any existing cutter or pilot from the trimmer.
- Select the appropriate 3Way Cutter for your caliber (e.g., 6.5MM).
- Align the cutter with the mounting hole on the trimmer and secure it in place according to the manufacturer's instructions.
- Install the chamfer pilot by inserting it into the designated slot on the cutter, ensuring it is firmly in place.

### 2. Usage:

- Plug in or turn on the Trim Pro Case Trimmer.
- Insert the case into the trimmer and ensure it is properly aligned.
- Engage the trimmer to begin the trimming process. The inside blade will chamfer the case while the outside blade deburrs it.
- Monitor the trimming process closely and stop the trimmer if any unusual noises or movements occur.
- Once the trimming is complete, turn off the trimmer and remove the case.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the RCBS TRIM PRO 3WAY CHAMFER PILOTS, please reach out to the manufacturer directly through their customer support channels.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the RCBS TRIM PRO 3WAY CHAMFER PILOTS.
