

# **MULTI-FLEX FLIP-OPEN EYEPIECE LENS COVERS - BUTLER CREEK EYEPIECE LENS COVER #16,17,18 1.66-1.7" (42.3-43.2MM)**

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

These new flip-open scope lens covers from Butler Creek will give you the same great lens protection as the standard covers we have carried for years. The Multi-Flex covers have additional flex in the collar so a wider range of scopes can be covered with each size. The tight, flexible skirt provides a custom fit for multiple scopes with the same features as the standard flip-open covers. Use Butler Creek Multi-Flex Sizing chart for cross reference to proper size.

Eyepiece Lens Cover #16,17,18 1.66-1.7" (42.3-43.2mm)

# **MULTIFLEX FLIPOpen EYEPIECE LENS COVERS SAFETY INSTRUCTIONS**

## **Introduction**

Thank you for purchasing the Butler Creek Eyepiece Lens Covers #16, 17, and 18. These covers are designed to protect your eyepiece lenses from dust, moisture, and scratches. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Ensure the product is suitable for your specific eyepiece lens size (1.661.7 inches or 42.343.2 mm).
- Keep the lens covers out of reach of children to prevent choking hazards.
- Regularly inspect the lens covers for any signs of wear or damage before use.
- If the lens covers become damaged, discontinue use and replace them immediately.
- Do not use the lens covers for any purpose other than what they are designed for.

## **Specific Safety Precautions for Use**

- Ensure that the eyepiece lens is clean and dry before attaching the lens covers.
- Avoid using excessive force when attaching or removing the lens covers to prevent damage to the lenses or covers.
- Do not expose the lens covers to extreme temperatures or harsh chemicals, as this may affect their integrity and performance.
- If you experience any difficulty in using the lens covers, consult the installation instructions provided in this guide.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather your eyepiece lens and the lens covers.
- Ensure that the lens covers are clean and free from any debris.

### **2. Attaching the Lens Covers**

- Align the lens cover with the eyepiece lens.
- Gently press the lens cover onto the eyepiece until it fits securely.
- Ensure that there is no gap between the lens cover and the eyepiece lens to provide optimal protection.

### **3. Removing the Lens Covers**

- To remove the lens cover, gently pull it away from the eyepiece lens.
- Avoid twisting or forcing the lens cover off, as this may damage the lens or cover.

### **4. Storage**

- When not in use, store the lens covers in a cool, dry place away from direct sunlight.
- Keep the lens covers in their original packaging if possible to prevent dust accumulation.

## **Disposal Instructions**

- Dispose of the lens covers responsibly according to local waste disposal regulations.
- Do not dispose of the lens covers in household recycling unless they are marked as recyclable.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please contact the manufacturer directly. Ensure you have the product details ready for reference.

By following these safety instructions, you can ensure the safe and effective use of your Butler Creek Eyepiece Lens Covers. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
