

# SINCLAIR CHAMBER PLUG - SINCLAIR INTERNATIONAL CHAMBER PLUG, PPC FAMILY, BLACK

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

This unique product seals the chamber and bore to prevent solvents and oils from running back into the action when the rifle is left in an upright position. For heavily fouled barrels, we use these plugs to seal the chamber and then fill the barrel with our favorite solvent. Then we let the barrel sit for a while. If left overnight, you should seal the muzzle end with tape to prevent evaporation. Make sure you fill the barrel all the way to the muzzle end. If storing guns for a long time, these plugs can keep rust preventative agents and oils from seeping down into the action and trigger group area. Oil and debris washed in with excess solvent harms more triggers than just about anything. Replacement O-rings come in packs of 5.

## Attributes

- Name: [SINCLAIR INTERNATIONAL CHAMBER PLUG, PPC FAMILY, BLACK](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749001580
- Mfr. No.:
- Cartridge: 17 PPC, 20 PPC, 22 PPC
- Delivery weight: 0.032kg
- Shipping height: 1mm
- Shipping width: 89mm
- Shipping length: 89mm

# Safety Instruction Guide for Sinclair Chamber Plug

## Introduction

Thank you for choosing the Sinclair Chamber Plug. This product is designed to effectively seal the chamber and bore of your firearm, preventing solvents and oils from entering the action when the rifle is stored upright. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the Sinclair Chamber Plug by following these guidelines:
  - Always use the product in accordance with the manufacturer's instructions.
  - Keep the product out of reach of children and vulnerable individuals.
  - Regularly check for any signs of wear or damage to the Chamber Plug before use.
  - Report any unsafe products or accidents to local authorities.
  - Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the Sinclair Chamber Plug, consider the following precautions:
  - Ensure the rifle is unloaded before inserting the Chamber Plug.
  - Do not leave solvents or oils in the barrel for extended periods without monitoring.
  - If using the product for heavily fouled barrels, allow sufficient time for the solvent to act while ensuring the muzzle is sealed with tape to prevent evaporation.
  - Avoid using excessive force when inserting or removing the Chamber Plug to prevent damage.
  - Store the product in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the Sinclair Chamber Plug:
  1. **Preparation:** Ensure the rifle is completely unloaded and safe to handle.
  2. **Insertion:**
    - Insert the Chamber Plug into the chamber of the rifle, ensuring a snug fit.
    - Ensure that the plug seals the chamber completely to prevent any leakage.
  3. **Filling the Barrel:**
    - If you are cleaning the barrel, fill it with your preferred solvent after inserting the plug.
    - Make sure to fill the barrel all the way to the muzzle end.
  4. **Sealing the Muzzle:**
    - If letting the barrel sit overnight, seal the muzzle end with tape to prevent evaporation of the solvent.
  5. **Removal:**
    - After the cleaning process is complete, carefully remove the Chamber Plug from the chamber.
    - Dispose of any used solvents according to local regulations.

## Disposal Instructions

- Proper disposal of the Sinclair Chamber Plug and any used solvents is essential:
  - Follow local regulations for the disposal of solvents and cleaning agents.
  - Dispose of the Chamber Plug in accordance with local waste management guidelines.
  - Do not dispose of the product in regular household waste unless specified.

## Contact Information for Further Support

- For any safety inquiries or further assistance regarding the Sinclair Chamber Plug, please refer to the manufacturer's contact point. Ensure that you have your product details handy for a more efficient response.

By following these guidelines, you can ensure safe and effective use of the Sinclair Chamber Plug. Thank you for prioritizing safety in your firearm maintenance practices.
