# Hook and Pick Set Safety Instruction Guide

## Introduction

Thank you for choosing the Hook and Pick Set by Sinclair International. This 5piece tool set is designed for a variety of tasks, including releasing and installing springs, replacing Orings, and retrieving parts in tight areas. While this tool set is highly functional, it is important to use it safely to prevent accidents and injuries. This guide provides essential safety instructions and guidelines to ensure your safe use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the tool set.
- Keep the tool set out of reach of children to prevent accidental injury.
- Inspect the tools regularly for any signs of damage or wear. Do not use damaged tools.
- Store the tool set in a safe, dry place when not in use.
- Use the tools only for their intended purposes as described in this guide.
- Follow all local regulations and safety standards when using the tool set.

## Specific Safety Precautions for Use

- Use caution when handling sharp tips. Always point the tips away from your body and others.
- Avoid using excessive force when using the tools to prevent breakage or injury.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the tools.
- Ensure the area you are working in is welllit and free from obstructions.
- Do not use the tools in wet or damp conditions to prevent slipping and electric shock if working near electrical components.
- Be aware of your surroundings and ensure no one is in close proximity while using the tools.

## Instructions for Installation and Usage

### 1. Selecting the Right Tool:

- Choose the appropriate tip for your task from the four screwin options: hood, 90degree, straight, or combination.

### 2. Attaching the Tip:

- Ensure the handle is securely held.
- Align the chosen tip with the handle and screw it in until it is tightly secured.

### 3. Using the Tool:

- For retrieving parts: Carefully insert the tip into the tight area and use the magnet to attract the part.
- For releasing/installing springs: Position the tool at the spring's end and gently maneuver to release or install.

### 4. After Use:

- Remove the tip from the handle by unscrewing it.
- Clean the tools with a dry cloth to remove any debris.
- Store the tool set in the provided compact ziplock pouch to protect it from damage.

## Disposal Instructions

- Dispose of the tool set in accordance with local waste management regulations.
- If the tools are damaged or no longer functional, consider recycling the metal components where possible.
- Do not dispose of the tools in household waste if they are still usable; consider donating them to local community organizations.

## Contact Information for Further Support

For safety inquiries or additional support regarding the Hook and Pick Set, please refer to the manufacturer's contact details found on the product packaging or the official website.

By following these safety instructions, you can ensure a safe and effective experience with your Hook and Pick Set. Thank you for your attention to safety and for choosing Sinclair International products.
