

# SINCLAIR CHAMBER PLUG - SINCLAIR INTERNATIONAL 308 FAMILY CHAMBER PLUG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

This unique product seals the chamber and bore to prevent solvents and oils from running back into the action when the rifle is left in an upright position. For heavily fouled barrels, we use these plugs to seal the chamber and then fill the barrel with our favorite solvent. Then we let the barrel sit for a while. If left overnight, you should seal the muzzle end with tape to prevent evaporation. Make sure you fill the barrel all the way to the muzzle end. If storing guns for a long time, these plugs can keep rust preventative agents and oils from seeping down into the action and trigger group area. Oil and debris washed in with excess solvent harms more triggers than just about anything. Replacement O-rings come in packs of 5.

## Attributes

- Name: [SINCLAIR INTERNATIONAL 308 FAMILY CHAMBER PLUG](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749001599
- Mfr. No.:
- Cartridge: 7 mm - 08 Remington, 308 Winchester, 243 Winchester
- Delivery weight: 0.032kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm

# Sinclair Chamber Plug Safety Instructions

## Introduction

Thank you for choosing the Sinclair Chamber Plug from Sinclair International. This product is designed to seal the chamber and bore of your rifle, preventing solvents and oils from entering the action when stored upright. Please read this safety instruction guide carefully to ensure the safe and effective use of this product.

## General Safety Guidelines

- Ensure safe handling and usage of the Sinclair Chamber Plug.
- Always follow the manufacturer's instructions for use.
- Be aware of potential hazards associated with improper use.
- Regularly check for product recalls and safety updates via the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the chamber plug in accordance with the instructions provided.
- Do not leave solvents or oils in the barrel for extended periods without checking for potential damage.
- Ensure the rifle is unloaded before inserting the chamber plug.
- Store the rifle in a secure location, away from children and vulnerable individuals.
- Avoid using the chamber plug with firearms that are not compatible with the specified cartridges (308 Winchester, 243 Winchester, 7 mm 08 Remington).
- Be cautious of oil and debris that may wash into the trigger group area, as this can affect the firearm's performance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your rifle is completely unloaded.
- Gather your cleaning supplies, including your favorite solvent.

### 2. Inserting the Chamber Plug

- Align the chamber plug with the chamber of your rifle.
- Firmly insert the plug into the chamber until it is fully seated.

### 3. Filling the Barrel

- Pour your chosen solvent into the barrel until it reaches the muzzle end.
- Make sure the barrel is filled completely to prevent evaporation.

### 4. Sealing the Muzzle

- If you plan to leave the barrel filled overnight, seal the muzzle end with tape to prevent solvent evaporation.

### 5. Storing the Rifle

- Store the rifle in an upright position to ensure the chamber plug remains effective.
- If storing for an extended period, check the chamber plug and barrel regularly for any signs of leakage or damage.

## 6. Cleaning and Maintenance

- After use, remove the chamber plug and clean it according to the manufacturer's instructions.
- Inspect the plug for wear and replace it if necessary. Replacement Orings are available in packs of 5.

## Disposal Instructions

- Dispose of any used solvents and oils in accordance with local regulations.
- Do not dispose of the chamber plug in regular household waste. Instead, follow local guidelines for disposing of plastic or rubber products.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Sinclair Chamber Plug, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Sinclair Chamber Plug, maintaining the integrity of your firearm. Thank you for your attention to safety.
