

# SINCLAIR CHAMBER PLUG - SINCLAIR INTERNATIONAL BELTED MAGNUM FAMILY CHAMBER PLUG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

This unique product seals the chamber and bore to prevent solvents and oils from running back into the action when the rifle is left in an upright position. For heavily fouled barrels, we use these plugs to seal the chamber and then fill the barrel with our favorite solvent. Then we let the barrel sit for a while. If left overnight, you should seal the muzzle end with tape to prevent evaporation. Make sure you fill the barrel all the way to the muzzle end. If storing guns for a long time, these plugs can keep rust preventative agents and oils from seeping down into the action and trigger group area. Oil and debris washed in with excess solvent harms more triggers than just about anything. Replacement O-rings come in packs of 5.

## Attributes

- Name: [SINCLAIR INTERNATIONAL BELTED MAGNUM FAMILY CHAMBER PLUG](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749001602
- Mfr. No.:
- Cartridge: 300 Winchester Magnum

# Safety Instruction Guide for SINCLAIR CHAMBER PLUG

## Introduction

Thank you for choosing the SINCLAIR CHAMBER PLUG. This product is designed to seal the chamber and bore of your firearm, preventing solvents and oils from entering the action when the rifle is stored in an upright position. Proper use and maintenance of this product are essential for ensuring safe operation and longevity of your firearm. Please read this guide carefully to understand the safety precautions and usage instructions.

## General Safety Guidelines

- Ensure that all nonfood products, including the SINCLAIR CHAMBER PLUG, are used safely and in accordance with the manufacturer's instructions.
- Be aware of potential hazards associated with the use of firearm accessories and follow all safety protocols.
- Always keep firearms stored in a secure location, away from children and unauthorized users.
- Regularly check for product recalls and updates through the EU Safety Gate platform to ensure the safety of your product.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the SINCLAIR CHAMBER PLUG, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not use the chamber plug on firearms that are not compatible with the specified cartridge (300 Winchester Magnum).
- Avoid using excessive force when inserting or removing the chamber plug to prevent damage to the firearm or the plug.
- Always seal the muzzle end with tape if the barrel is filled with solvent and left overnight to prevent evaporation.
- Store the chamber plug in a cool, dry place when not in use to prevent degradation of materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe position.
- Clean the chamber and bore of the firearm before installation.

### 2. Installation:

- Insert the SINCLAIR CHAMBER PLUG into the chamber of the firearm, ensuring a snug fit.
- If necessary, use a gentle twisting motion to secure the plug in place. Avoid using excessive force.

### 3. Filling the Barrel:

- For heavily fouled barrels, fill the barrel with your preferred solvent after sealing the chamber with the plug.
- Ensure that the solvent fills the barrel all the way to the muzzle end.

### 4. Sealing the Muzzle:

- If the barrel is filled with solvent and left overnight, seal the muzzle end with tape to prevent evaporation.

#### **5. Removal:**

- When ready to use the firearm, carefully remove the chamber plug by twisting it gently while pulling it out.
- Dispose of any solvents used in accordance with local regulations.

## **Disposal Instructions**

- Dispose of the SINCLAIR CHAMBER PLUG and any used solvents in accordance with local environmental regulations.
- Do not dispose of the chamber plug in regular household waste if it is damaged or contaminated with solvents.

## **Contact Information for Further Support**

For any questions or concerns regarding the SINCLAIR CHAMBER PLUG, please refer to the manufacturer's contact information provided in the product packaging. Ensure you have the product details on hand for a more efficient inquiry.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
