

RIFLE CASE HOLDERS - L.E. WILSON 225 WINCHESTER FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instructions for L.E. Wilson 225 Winchester Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson 225 Winchester Fired Case Holder. This product is designed to assist in trimming, primer pocket reaming, neck reaming, and deburring of fired cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the case holder out of reach of children and vulnerable individuals.
- Inspect the case holder for any signs of damage before use. Do not use if damaged.
- Always wear appropriate safety gear, such as safety glasses, when operating equipment associated with the case holder.
- Follow the manufacturer's instructions for any tools used in conjunction with the case holder.

Specific Safety Precautions for Use

- Only use the case holder with fired cases. For new or unfired cases, use the appropriate case holder.
- Ensure that the case is properly seated in the holder before beginning any trimming or reaming operations.
- Avoid excessive force when trimming or reaming to prevent damage to the case holder or injury.
- Keep hands and other body parts clear of moving parts during operation.
- Store the case holder in a dry, safe place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the workspace is clean and welllit.

2. Installation:

- Place the case holder securely in the trimmer or reaming tool as per the manufacturer's instructions.
- Ensure that the holder is tightly secured to prevent any movement during use.

3. Using the Case Holder:

- Insert the fired case into the holder, ensuring it is properly seated.
- Follow the specific instructions for your trimming or reaming tool to begin the operation.
- Monitor the process closely to ensure safe operation.

4. PostOperation:

- Remove the case from the holder carefully after use.
- Clean the case holder and surrounding area to maintain a safe workspace.

Disposal Instructions

- Dispose of the case holder in accordance with local regulations for metal products.
- Do not dispose of in regular household waste if the product is damaged or contains potentially hazardous materials.

Contact Information for Further Support

For any safety inquiries or support regarding the L.E. Wilson 225 Winchester Fired Case Holder, please contact the manufacturer directly. Ensure you have the product details ready for reference.

By following these guidelines, you can ensure a safe and effective experience with your L.E. Wilson 225 Winchester Fired Case Holder. Thank you for your attention to safety!
