

# RIFLE CASE HOLDERS - L.E. WILSON 223 ACKLEY IMPROVED FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 223 Ackley Improved Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 223 Ackley Improved Fired Case Holder. This product is designed to provide precision and uniformity when trimming and reaming your rifle cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle the case holder with care to prevent injury.
- Ensure that the workspace is clean and organized to avoid accidents.
- Use the case holder only for its intended purpose as described in this guide.
- Keep the case holder out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage before use.
- If the case holder is damaged or malfunctioning, discontinue use immediately and seek support.

## Specific Safety Precautions for Use

- Make sure to wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the case holder.
- Avoid placing fingers near moving parts during operation to prevent pinching or cuts.
- Ensure that the rifle case is securely held in place before starting any trimming or reaming operations.
- Do not attempt to modify or alter the case holder in any way, as this may compromise safety and performance.
- Always follow the manufacturer's guidelines for compatible case types to ensure proper fit and functionality.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Workspace:** Ensure your workspace is clean, dry, and welllit.
2. **Check Compatibility:** Confirm that the case holder is compatible with the type of case you are using (Fired, New, Neck, or Full Length sized).
3. **Secure the Case Holder:** Attach the case holder to your trimmer securely, following the manufacturer's instructions for your specific trimmer model.

### Usage

1. **Insert the Case:** Place the fired case into the holder, ensuring it is seated properly and securely.
2. **Adjust Settings:** If applicable, adjust the trimmer settings according to the manufacturer's recommendations for trimming length and operation.
3. **Trim the Case:** Operate the trimmer according to the instructions provided with the trimmer, maintaining a firm grip on the case holder.
4. **Inspect the Trimmed Case:** After trimming, inspect the case for uniformity and accuracy. Ensure all edges are smooth and free from burrs.
5. **Clean the Case Holder:** After use, clean the case holder to remove any debris or brass shavings to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any damaged or wornout case holders in accordance with local regulations.
- Recycle the case holder if possible, following your local recycling guidelines.
- Do not dispose of the case holder in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the L.E. Wilson 223 Ackley Improved Fired Case Holder, please refer to the product packaging or visit the manufacturer's official website for the appropriate contact information.

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using the L.E. Wilson 223 Ackley Improved Fired Case Holder. Thank you for your attention to safety.
