

# RIFLE CASE HOLDERS - L.E. WILSON 30 M1 CARBINE FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 30 M1 Carbine Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 30 M1 Carbine Fired Case Holder. This product is designed to hold your cases securely during trimming, primer pocket reaming, neck reaming, and deburring. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle the case holder with care to avoid injury.
- Ensure that the case holder is compatible with the type of cases you are using (Fired, New, Neck Sized, or Full Length Sized).
- Keep the case holder out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and seek a replacement.
- Do not use the case holder for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Use the case holder only with the appropriate caliber of cases (30 Carbine).
- Make sure the case is properly seated in the holder before beginning any trimming or reaming operations.
- Wear appropriate safety gear, including safety glasses, when using the case holder.
- Do not exceed the recommended pressure or force when trimming or reaming to avoid damaging the case holder or the cases.
- Keep your hands and other body parts clear of moving parts during operation.
- Avoid distractions while using the case holder to maintain focus and prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free from clutter.
- Gather all necessary tools and materials for trimming and reaming.

### 2. Installing the Case Holder:

- Select the appropriate L.E. Wilson Case Holder for your case type.
- Insert the fired case into the holder, ensuring it is seated securely.

### 3. Using the Case Holder:

- Attach the case holder to the trimmer securely.
- Adjust the trimmer settings according to the type of operation you are performing (trimming, neck reaming, or deburring).
- Begin the trimming or reaming process, applying even pressure.
- Monitor the operation closely to ensure that the case holder is functioning correctly.

### 4. Post Use:

- After use, carefully remove the case from the holder.

- Clean the case holder to remove any debris or residue.
- Store the case holder in a safe, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or wornout case holders in accordance with local regulations.
- Do not dispose of the case holder in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the L.E. Wilson 30 M1 Carbine Fired Case Holder, please refer to the EUbased contact point provided with the product packaging.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using the L.E. Wilson 30 M1 Carbine Fired Case Holder. Always prioritize safety and proper usage to achieve the best results. Thank you for your attention to these important safety instructions.
