

RIFLE CASE HOLDERS - L.E. WILSON 30-40 Krag FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 3040 Krag Fired Case Holder

Introduction

Thank you for choosing the L.E. Wilson Rifle Case Holder for your reloading needs. This product is designed to enhance the accuracy and uniformity of your case trimming process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the case holder before each use for any signs of damage or wear.
- Use the product in a welllit and organized workspace.
- Do not use the case holder for any purpose other than its intended use.
- Report any unsafe conditions or product defects to the retailer or manufacturer.

Specific Safety Precautions for Use

- Only use the case holder with the recommended cartridge type: 3040 Krag.
- Ensure that the cases being used are either fired cases for the FIRED Case Holders or new, unfired brass for NEW Case Holders.
- Avoid using cases that have been damaged or excessively worn.
- Always wear safety glasses when using the trimmer to protect your eyes from debris.
- Use appropriate personal protective equipment (PPE) such as gloves when handling brass cases.

Instructions for Installation and Usage

1. Setup:

- Place the trimmer securely on a stable work surface.
- Ensure that the case holder is clean and free of any debris.

2. Inserting the Case:

- For FIRED Case Holders: Insert the fired case into the holder, ensuring it fits snugly.
- For NEW Case Holders: Insert the new or unfired case into the holder, ensuring it fits securely.
- If unsure, check compatibility with the cartridge type.

3. Trimming Process:

- Follow the specific instructions provided with your trimmer for adjusting the cutting length.
- Activate the trimmer according to the manufacturer's guidelines, ensuring that your hands and body are clear of the cutting area.
- Monitor the trimming process closely to ensure consistent results.

4. PostUse Care:

- After trimming, carefully remove the case from the holder.
- Clean the case holder and trimmer to remove any brass shavings or debris.
- Store the case holder in a safe and dry location, away from children.

Disposal Instructions

- Dispose of any damaged or worn case holders in accordance with local regulations.
- Recycle brass cases according to local recycling guidelines.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided by your retailer or the manufacturer.

By following these safety instructions, you can ensure a safe and effective experience while using the L.E. Wilson 3040 Krag Fired Case Holder. Thank you for prioritizing safety in your reloading practices.
